No bags or food are permitted in CITT at this time. Disposable water bottles only are allowed in the gym at this time.

Students will be social distancing at all times while in the gym.

At this time we are asking that parents do not come into the gym. When we get into the next level of opening we will allow one parent per student in the gym as seating allows.

No siblings allowed at this time.

Face masks are required for anyone coming into CITT.

Anyone entering the building will have temperature checks and must answer simple health questions.

Mighty-mini classes are allowing one parent to participate in class.

We are confident that our policies and procedures that we have put into place meet or exceed the current Illinois and CDC recommendations and guidelines. For our procedures to be as effective as possible, it will require the support and participation by all CITT Families. We are in this together and we all need to do our part.
