THANK YOU CONNIE WILLIAMS FROM THE CLUBHOUSE COMMITTEE WE WOULD LIKE TO THANK YOU CONNIE, OUR OUTGOING CHAIR, FOR ALL THE HARD WORK YOU HAVE PUT INTO THE CLUBHOUSE THE LAST TWO YEARS. YOU WERE ALWAYS THERE FOR THE EMERGENCIES & THE FUN TIMES. YOU UPDATED THE FRONT OF THE CLUBHOUSE DURING YOUR REIGN WITH NEW CARPETING, PAINTING IN THE BATHROOMS, HALLWAY, & KITCHEN, NEW INDUSTRIAL KITCHEN SINK, NEW KITCHEN FLOORING, NEW LIGHTING THROUGHOUT, AND GETTING RID OF THOSE NASTY LOOKING LOCKERS IN THE BATHROOMS. A LOT OF THE PREP WORK WAS DONE BY YOU & GARY TO GET EVERYTHING DONE RIGHT. YOU BOTH SPENT SO MUCH TIME AT THE CLUBHOUSE MAKING SURE EVERYTHING WAS RUNNING PROPERLY. THANK YOU GARY, FOR ALL THE WORK YOU DID BEHIND THE SCENES. REGULARS OF THE CLUBHOUSE KNOW HOW HARD YOU WORKED. CONNIE, YOU LEAVE SOME BIG SHOES TO FILL FOR OUR NEXT CHAIRPERSON. THANK YOU, THANK YOU, THANK YOU!

GRILLING SAFETY REMINDER SUMMER'S HERE, SO PLEASE REMEMBER GRILLS CAN GET VERY HOT. PLEASE REMEMBER TO KEEP YOUR GRILL A SAFE DISTANCE FROM YOUR EXTERIOR WALLS, ESPECIALLY IF YOU JUST HAD VINYL SIDING INSTALLED.

Space held for Board meeting minutes, The minutes were not submitted to the newsletter prior to publication. Stay tuned to the August newsletter to catch up.

Elections

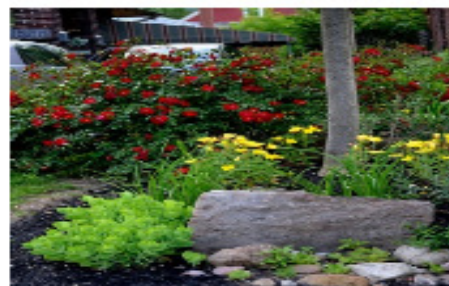

Colonial Acres Phase V will hold elections for 2-3 positions for the Board of Directors at our Annual Meeting on September 11, 2019 at 6pm. Under new procedures by the Board we will have an evening meeting on August 14, 2019 at 6pm. This meeting will include time for anyone who submits a Board interest form to address the membership. Those seeking election will be given up to 5 minutes to speak and introduce yourself to the members. Also, it is recommended that if interested in a Board seat that you submit a biography to the newsletter editor for inclusion in our August edition. The bio should be submitted no later than the 20th of July to the newsletter editor.

Commercial Vehicles

Please note that under the Rules and Regulations no commercial vehicles are allowed to park in the complex except for service vehicles undertaking a service call. Commercial vehicles are not to be parked overnight or to use assigned parking spaces in the complex. The board has received numerous complaints on commercial vehicles being parked overnight. Any violations of this can result in parking tickets, fines, towing and other penalties including eviction.

This is notice that starting in late July any Commercial Vehicles being stored or parked in the complex will be towed at owners' expense. (This will include any storage fees imposed by the tow company.)

The 2nd Annual Courtyard walk was a great success last month. Over a dozen courtyards participated in the walk. The weather was perfect for a leisurely walk around Colonial Acres. What fun seeing how different everyone displays their courtyards. Hope to see you on the walk next year!

News from our clubhouse Chair:

This is my last message as Clubhouse Chairman. The last two years have been a fun and challenging learning experience. The gratitude I feel for all those who supported me in my efforts is beyond words. I couldn't have done it without all of you. Nor could I have accomplished so much without Gary (my better half), his attention to detail and conscientious follow-up.

Please support our soon-to-be-elected new chairman not only in offering worthwhile and fun events, but also in caring for our clubhouse.

It is time for me to move on, but I will still be helping out from time to time.

Sincerely,
 Connie Williams

Summer Wildflowers

Denise Semion

Summer's here and Michigan's native wildflowers are sprinkling our landscapes with color. You can see wildflowers right here at Colonial Acres, as well as wooded areas in local parks, and even along the roadsides.

The trillium that blanketed our woods by the clubhouse has faded, but you may still see mayapples in those woods. Another woodland plant like trillium, mayapples typically grow in colonies derived from a single root. And if you peek under a mayapple in the spring, you might find a flower hiding under its wide leaves. Mayapples and trillium love shade and thrive in a woodland habitat. We are fortunate to have such a special habitat right here by the clubhouse.

By the way, there are nine species of trillium native to Michigan, half of which are considered endangered or protected. And all the parts of the mayapple, except the fruit, contain podophyllotoxin, which is highly toxic if consumed. Podophyllotoxin is used in some prescription drugs used to treat certain cancers,

psoriasis and other illnesses. Who knew?

Did you know that dwarf lake iris is our state wildflower? It's an endangered flower that grows along shorelines. I haven't seen any here, but we do have yellow flag iris near the bridge by the pond, which add a pop of color to the landscape.

You've probably seen day lilies along ditches or in parks. And pale blue Chicory plants can be found almost everywhere, if you know what to look for. Queen Anne's lace, crowned with tiny creamy white flowers, is pretty easy to spot. If you see some purple blossoms, it might be wild bergamot. It's helpful to have a wildflower guidebook to help identify wildflowers when you are outdoors. I consider myself an amateur on identification without a guide.

One of my pet peeves is when I see children or adults walking along a trail in a park with a handful of freshly picked wildflowers. Seems like this doesn't happen as much as it used to, but it's important to remember that saying "take only photos, leave only footprints." Let our wild areas stay wild.
