

At Thameside Primary, we recognise the contribution of PE to the health and well-being of the children. We believe that a thorough and varied PE curriculum and extensive extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. Our Primary School Sport's Funding will enable us to continue and extend our provision through subscribing to the Havering School Sports Collective, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.
