

KNOW WHAT YOU BELIEVE - PAUL E. LITTLE

CHAPTER 1: THE BIBLE

Theme: The Bible is the written Word of God

1. Why do we all need the Bible, especially in today's society?

2. Why was the Bible written?

3. When people say, "The Bible is inspired," what do they mean?

4. How would you explain the phrase "canon of Scripture"?

5. What was your primary source of religious belief in your growing-up years? If you now have a new primary source, what caused the shift?

6. What are some questions you could ask yourself when you are trying to interpret a passage of Scripture?

7. How would you respond to the statement “The Bible is not scientifically accurate”? Explain.

8. Explain the statement: “We do not prove the Bible by archaeology.”

9. What do a television set and the Word of God have in common?

10. How can you feed on the Word of God? (Think of specific actions.)

Belief in the Bible doesn't make it true; belief enables me to enter into what is already true.
