Residential Fence Policy

When constructing or replacing a residential fence a property owner shall -

- Place a fence on or inside their property boundary (as determined by a legal survey);
- Not hinder vehicle or pedestrian traffic, create a dangerous situation for vehicle or pedestrian traffic, or block/impede the vision of vehicle or pedestrian traffic; and
- Not obstruct or impede snow clearing operations by the Town of Botwood.

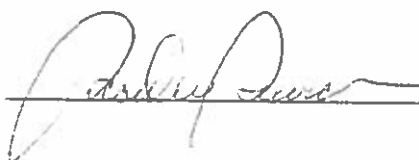

All residential fencing shall normally -

- Be no closer than 8 feet (4 feet with special permission of Council) to the adjacent public roads;
- Be a maximum height of 3 feet (4 feet with special permission of Council) in front of the property; and
- Be a maximum height of 6 feet (8 feet with special permission of Council) at the rear/side of property.

A permit from the Town of Botwood shall be required to construct a new fence or replace an existing fence.

The Town of Botwood is not responsible for damage of any kind to fencing resulting from snow clearing operations.

This policy was reviewed, and approved by Members of Council of the Town of Botwood at their public meeting July 13, 2016. This policy is a continuation of previous policies and practices concerning residential fencing within Town limits
