The Monument

The Monument is a large double pentagon with five black granite panels. The first panel has Chapter 3, Verses 1-8 from Ecclesiastes. The remaining panels list the names of those killed in Action (KIA), Missing In Action (MIA) and Prisoners of Wars (POW) from St. Landry Parish in the following wars:

World War I - World War II - Korean War
Vietnam War - Iraq War

The smaller pentagon sits on top of the larger pentagon with the seals of each branch of service while the flags located at each corner fly high.

The Purple Heart Medal is displayed for honor and respect for combat death or wounded.

The panels have quotes of inspiration from leaders of the United States of America.

Walk-Ways of Supporters...

Two walk-ways on both sides of the monument display the name of supporters of the Memorial Project.

"The Military Walk-Way of Remembrance"

Military Walk-Way honors all military personnel from St. Landry Parish. The Military Walk-Way is flanked by the POW/MIA flag, the Louisiana State flag and St. Landry Parish flag. The flag of the United States of America is located in the center of the Military Walk-Way of Remembrance.

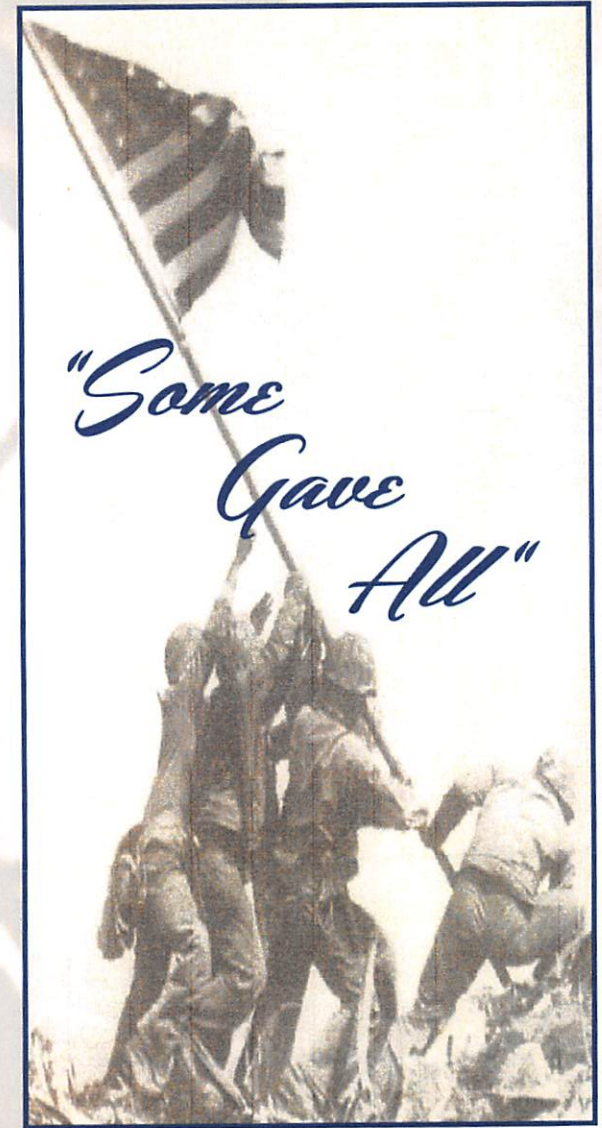

THE BRONZE STATUE
