Secular master's degrees cannot meet the prerequisites for our doctoral degrees. Therefore, students with secular master's degrees do not have access to our doctoral programs, they must enroll in a master's program as their theological foundation for a doctoral degree.

DEGREE CONCENTRATION (Bachelor's, Master's & Doctoral Degree Programs):

TUITION & FEES

AITCS does not participate in any government financial aid program. Tuition is on a per credit basis, and course materials are not included in the tuition. Some undergraduate course materials and all course material in the Institute non-credit programs are given free of charge to students in PDF documents.

Upon admission, students must officially enroll in each semester, and each semester has two terms. Enrollment must be in conformity to the semester enrollment requirement for each program as outlined below. Students may enroll in more than one Learning Session at once but can only progress with one course in a Term a time in each Learning Session. If any course is not completed in a term, the student must re-enroll in the course in the next Term to be able to submit his work for grading and in some cases, this may extend the Learning Sessions required to complete the program. Students must note that this will cost more than the full tuition required for the program. Therefore, it is best that they proceed with the program in a timely manner.

PRIOR LEARNING & MINISTRY EVALUATION (PLME):

There is no charge for PLME Evaluation, however, credits granted from the evaluation is the same as the regular tuition at **AITCS**. There is no charge for transferred credits accepted. Please note that all credits may not be accepted and transfer into **AITCS** except those that meet the particular program course requirement. In some cases, based on the courses, they may be accepted as electives.

NOTE: For all ATC students interested in PLME credits, please submit full ministry resume and transcripts. Official transcripts must be sent directly to AITCS. For ASPM students, three letters of attestation & recommendation along with full ministry resume are required and must accompany this admission application. They may also have official transcripts sent directly to AITCS. Verifiable electronic official transcripts are also accepted and can be sent to info@adonaiglobal.org. This helps speed up the admission process.

If applicable, please submit the PLME application with the required evaluation fee along with this admission application. This fee is only for the evaluation, and there is no charge for transferred credits accepted. However, there is a tuition charge regular rate for actual credits granted as a result of the PLME. **NOTE:** Ministry evaluation for college credit is only available at the undergraduate level. All students may only transfer the maximum credits allow. See the **AITCS** catalog for details on PLME credits. PLME applies to undergraduate students only.

If applicable, unofficial transcript (s) issued by former school (s) may be used for evaluation and must accompany this application. However, Official transcript (s) must be sent from former school (s) to **AITCS** within 45 days of admission or there will be a revision in admission status and transferred credits will be reversed. In this case the student will be required to meet all credits needed for the degree program without applying any transferred credits
