NOTICE OF ANNUAL MEETING

Sunday, May 1, 2016
2:00 pm
in the
Common Area
at the end of Flag Court

We will position ourselves under the trees for shade. Bring a lawn chair for your comfort.

This is a friendly reminder of a few of items that are in our Deed Restrictions.

- Post lamp must lit from dusk to dawn.
- Boats and trailers must be parked in the back yard.
- Out buildings must harmonize with the house.
- No business shall be conducted out of any residence.
- Properties must be kept up and maintained.

For a full set of the Deed Restriction you can call any board member or Beth Weger. They can also be emailed.

Nominations for Board of Directors

We will be electing three directors and the four executive board members at the annual meeting May 1. The executive board consists of the President, Vice President, Secretary and Treasurer.

The Board meets quarterly on Sunday afternoons and the meetings are in the common area at 2 pm. The Board has gone to this meeting format to eliminate weekday evening meetings. They also use the common area grounds in which to hold the meetings instead of in the homes of board members. This offers a casual environment in which everyone may feel welcome and eliminates the preparation required of the host for the meeting. The meetings are generally about an hour long and the Board keeps the meeting on task and the time productive. Watch the front entrance for signage of meeting dates if you wish to attend as all are welcome.

If you are interested in serving your neighborhood, being on the board is a great place to start. The nominating committee is Nancy Kirby, Jim Covalt and Beth Weger. If you would like to serve on the board please let one of them know.

ANIMAL CONTROL

Please pick up the poop your pet leaves behind... **INCLUDING COMMON AREAS.** If you are walking a dog for exercise they should be kept on lead and close to your body. If your pet is on a lead and roaming, the pet is free to go to the bathroom wherever they choose and that is only appropriate in your yard. Even the urine your pet excrete kills grass and leaves bacteria in which others are exposed. It's your pet...keep them in your yard or close to your side while walking. If you need to contact animal control, call **499-2600.**
