

Building a Better Future for Mental Health

2017 CAMPAIGN

“The good we secure for ourselves is precarious and uncertain until it is secured for all of us and incorporated into our common life.”

— Jane Addams

\$1.5 Million over the next four years

**Our goals in Building a Better Future for Mental Health
as a continuum of strengthening the families and communities we serve...**

EXPAND

Invest in securing a more spacious and modernized, family and community friendly facility to serve 5,000 children and families by 2021

GROW

Grow our professional staff and auxiliary teams to strengthen the agency and reach underserved and more diverse populations

ADVOCATE

Advocate mental health awareness and community building across multiple platforms for increased engagement

COLLABORATE

Collaborate with local and global community organizations to create strategic partnerships and impactful projects

Branch Family Fund - *supports programs and services*

Solid Roots Fund - *supports a new home facility location*

Branching Out Fund - *supports special projects and activities*
