

201-504-502

HDMI Switch 5x1, 1080p 3D

This 201-504-502 connects up to five HDMI inputs to a single HDMI display for seamless transitions between all your gaming devices. For easier switch, it comes with IR remote control for quickly change inputs. It supports 1080p, 1080i, 720p, 480p and 480i resolutions and measures 17.8x5.8x2cm, so it can subtly sit next to your set-top box or gaming console. Beyond its size, it includes an automatic switching based on the active device. The 201-504-502 will then instantly switch the input to the cable. It has a unique iron box design that helps to keep it cool during extended gaming marathons.

This switch can also be placed at the end of a long HDMI cable to regenerate the HDMI signal. This HDMI switch supports video formats including 720p, 1080i, 1080p.

FEATURES

- Support 2.25Gbps data rate for tmds clock up to 250MHz
