62nd Annual Alpha Omega

MARDI GRAS 2019

SATURDAY, FEBRUARY 2, 2019

BETHESDA NORTH MARRIOTT
NORTH BETHESDA, MD

Mardi Gras

The celebration of Mardi Gras is a tradition among many of the Chapters of Omega Psi Phi Fraternity Incorporated. Alpha Omega Chapter presents its 62nd Annual Mardi Gras Ball with great pride and appreciation for the entertainment of Omega Brothers and their guest.

Mardi Gras is synonymous with fun, merriment – a last fling before the fasting and penitence of the Lenten Season. Masquerade balls, parades with decorated floats, music and colorful pageants are all a part of the festival of the Carnival Season which ends at midnight on Mardi Gras, the day before Ash Wednesday.

Many of the costumes of Mardi Gras date back to the pagan festivals of Ancient Rome. Masks and costumes were worn at these celebrations. This custom is alive today in Brazil, Italy, Mexico, Spain, Argentina, Germany and Trinidad. In the United States, the largest and most elaborate celebration of the festival of Mardi Gras remains in New Orleans.

It is traditional in New Orleans to begin celebrating the Carnival Season several weeks preceding Mardi Gras with balls and parades which are held almost daily. The parades are most noted for decorated floats, costumes, bands, and favors, “throws” of beads, Doubloons, etc. Random street masking, costumed persons, and dancing help make Mardi Gras in New Orleans a big rollicking party for throngs of happy people.

In recent years the wearing of formal attire to the ball has become common place, but the wearing of a costume is encouraged. This way you really get into the spirit of Mardi Gras and receive the most enjoyment of this festive occasion.

The costume can be fun and does not have to be expensive or elaborate. You may find just the right items from your trips to Africa, Mexico, Hawaii, Spain, Holland or other countries. If you did not wear a costume this year, consider it for next year. Come to Mardi Gras and have fun!!!

Dear Friends:

As County Executive, it is my pleasure to extend a warm welcome to the members of Alpha Omega Chapter of the Omega Psi Phi Fraternity, Inc., and their guests on your 62nd Annual Mardi Gras.

Alpha Omega's Mardi Gras is the Chapter's primary vehicle for funding its Community and Social Action programs. The Chapter annually awards tens of thousands of dollars in scholarships to college bound District of Columbia high school seniors. The Chapter also provides a forum for public recognition and scholarship assistance to high school students in the performing arts (voice, drama, instrumental music and dance) through its Talent Hunt program.

Alpha Omega also sponsors high school mentoring and tutorial programs, an annual health awareness screening program, and various ongoing programs for clothing and feeding the homeless and other less fortunate families in our immediate community.

Omega Psi Phi Fraternity, Inc. was founded here in Washington, D.C. on the campus of Howard University on November 17, 1911. Founded in 1922 Alpha Omega is the Fraternity's largest chapter. Alpha Omega does so much to exemplify its commitment to Omega's Four Cardinal Principles – Manhood, Scholarship, Perseverance and Uplift – in helping others in our community.

On behalf of the residents of the Montgomery County, you have my best wishes for a memorable and enjoyable event.

Sincerely,

Marc Elrich
County Executive

Greetings Brothers of Alpha Omega chapter,

Ricky L. Lewis
1st Vice Grand Basileus
rickylewis@earthlink.net

As the New Year for the Fraternity comes into view, I trust that your life and that of your family has been gratifying.

I want to first and foremost thank you for your continued success with the occasion of the 62nd Annual Mardi Gras Dinner and Ball. Let our mantra of men of strong will and Manhood, Scholarship, Perseverance and Uplift continue to define us and serve as our guideposts as we uphold the precepts of our founders and serve our community!

In our communities world-wide, we have our mandated programs and we have our recently added programs. We actively do these things – Fatherhood and Mentoring, searching for and Illuminating Young talent and providing scholarship support – and we do these things not for ego or personal gain – but instead because it is our duty and our charge. We have been gifted with *God's Amazing Grace and Talent* to do the good things we do.

During Brother Dr. David Marion, 41st Grand Basileus administration, we are here to serve you and our communities. Here is what we are asking you to do to serve our communities and make a difference;

Number 1. Save the Children through mentoring, scholarship offerings and tutoring;

Number 2. Help mothers and fathers to be better mothers and fathers to our posterity;

Number 3. Stay engaged with our brotherhood through (BYOMM):

Number 4. Save our HBCUs and other schools through regular and consistent contributions:

Number 5. Take time for self and family.

If we resolve to do these five things and do them well, we will continue to see the undeniable fulfillment of our charge of **EFFECTING POSITIVE CHANGE** in our communities.

Yours in Friendship,

Ricky L. Lewis,

Greetings To All:

On behalf of the Brothers of Alpha Omega Chapter of Omega Psi Phi Fraternity, Inc., I thank you for joining us at our 62nd Annual Mardi Gras. Our Chapter began a tradition of Mardi Gras many years ago, and as it has grown, the core elements of fraternity, friendship, fellowship and fun continue to be important elements of our event. In addition, the Mardi Gras provides an opportunity to celebrate successes of our Chapter and its commitment to our various community-oriented programs. In fact, this party represents the greatest single opportunity to raise funds for our scholarship program.

We are a volunteer organization and I thank all of the Brothers who work hard throughout the year to ensure not only our positive presence in the community, but our Uplift for the community. In fact, 2019 is the year of Uplift for Alpha Omega Chapter, and a special part of that Uplift is our Scholarship Awards Program in May. Again, this year we seek to provide \$30,000 in college scholarships to deserving young men from Washington, DC high schools, as they seek to improve their station in life through attainment of higher education. As the saying goes, "it takes a village to raise a child", and we take our role within the village very seriously. We continue to provide mentoring to young men, an opportunity for young women and men to showcase the artistic talents, health information to the community, and most importantly we are positive and productive role models.

As one of our previous Basilei would say, "Let's Party With A Purpose Tonight" and enjoy this unique opportunity, known as the Alpha Omega Mardi Gras 2019.

If you wish to make a tax-deductible donation directly to our Foundation, you can text **AQMG2019** to **41444**. You can also donate online via our Foundation website at www.aosasf.org/home/donate_now. A special thanks goes out to the Brothers of the Alpha Omega Mardi Gras Committee and I thank each of our guests for your continued support.

May GOD Bless you,

Alpha Omega Chapter

February 2, 2019

I greet you in the name of the Supreme Basileus of the Universe from which all blessings flow. Let us all give thanks and praise for how much we have all been blessed.

Mardi Gras represents a long history of perseverance, progress, good times for Brothers and their families, and Friendships revisited. It is the Mardi Gras Committee's goal to not only preserve and protect this legacy but to continue in this tradition of fundraising to assist college bound students with scholarship resources.

Mardi Gras is believed to have arrived in North America on March 3, 1699, when the French-Canadian explorer Pierre Le Moyne d'Iberville camped about 60 miles downriver from the future site of New Orleans. Knowing it was Fat Tuesday back in France, Iberville named the spot Point du Mardi Gras and held a small gala. A few years later, French soldiers and settlers feasted and wore masks as part of Mardi Gras festivities in the newly founded city of Mobile (present-day Alabama). To this day, Mobile claims to have the oldest annual Mardi Gras celebration in the United States.

Alpha Omega Chapter is one of the oldest and largest chapters in the Fraternity and was chartered on October 1, 1922. The Alpha Omega Social Action & Scholarship Foundation is the giving arm for Alpha Omega Chapter and was incorporated in 1992 as a non-profit 501[c][3] entity. The foundation is a recognized agency of the Combined Federal Campaign and functions as a Brotherhood of Men devoted to making a positive impact through the advancement and uplift of humanity in the areas of scholarship and social action. Over the past ten years, we have awarded more than \$170,000 in college scholarships. Without this vital assistance, many of these students would have no other means of debt-free financial assistance.

Now unwind, let your hair down, and enjoy yourself as never before. Please join us in celebrating Alpha Omega Chapter's Sixty-Second Annual Mardi Gras Ball by enjoying the evening's festivities.

Sincerely,

Nathan L. Hunter, Jr.

ALMOST HEAVEN

A Legacy Of Love

Stony Was the Road But A Road Filled With Love...

"There are as many stories as there are people who have negotiated this path. This is Carrolls' - his life, the people who had starring roles, featured appearances, cameos, and bit parts - the tale begins in West Virginia, McDowell County, the Village of Bishop."

During his junior year in college Carroll worked as an intern at the Office of Naval Research. The following year, after receiving his Bachelor of Science Degree, he became the first black contract negotiator hired by the agency.

Carroll later served at the Defense Logistics Agency serving in a variety of positions before rising to become the first black director of the Defense Department's Hazardous Waste Environmental Contracting Activity.

In this position he managed a number of firsts; the introduction of automated computer systems in the environmental contracting activity, the introduction of ISO 2000 management practices into a federal contracting function and following these achievements he was able to achieve taxpayer savings by dosing three field offices across the country and consolidating activities in a central location. He also found time to earn a Master of Public Administration Degree from Western Michigan University while serving as director.

On at least one occasion he was summoned to appear before the U.S. Congress to testify as to the viability of the Department's Hazardous Contracting Activity.

Since his retirement in 1998, he has been a community activist, an ardent sailing enthusiast and a seasoned world traveler.
