3. ADITONAL INFORMATION

The painting is the "dark" counterpart to the painting "BARBIE" from the same series of paintings painted in March 2014 in Doha, Qatar.

Purple – the color of royalty – is the core focus on this painting. The signature in pink is specifically chose in the the same color scheme to be part of that "royalty". The dark canvas, representing the night, has shimmers of this royalty and glamour shining through.... But its only a shine and not more, yet the elegance is kept.
