Late cancellations result in vacancies that are often hard to fill, leading to lost revenue for our small family business. In keeping with common practices of many similar operations, we have adopted the following policy to apply to <u>all</u> reservations: A non-refundable deposit of \$100 per cottage, per each rental week is required to make and keep reservations until April 1. By April 1, in order to keep your reservation, and for any reservations made after this date, we require a deposit of 50% of the applicable rate for your cottage, excluding charges for extra people, for the time of your stay (less the \$100 if already paid). We will contact you by email in the late winter to remind you of the amount and deadline for this deposit. If you have to cancel, we will gladly refund this (less the \$100) if we are subsequently able to fill the vacancy. Thank you for choosing Woodside Beach Cottages for your holiday. Your Hosts: Mike & Wendy Bondi Resort Manager Lea and Greg Cramer
