OLD BUSINESS

-President Theresa Craiger, on behalf of Chairpersons Maria Butcher and Tina McCue, thanked everyone who helped make the card party a success.

-Chairperson Gloria Karafa thanked her committee for making the kolachi bake so successful. There was less profit than usual because of the purchase of the nut grinding attachment for the dough mixer; however this purchase made the nut grinding task much quicker and easier, and will be very helpful in the years to come.

-President Theresa Craiger reminded members about the new parish app. Anyone needing help could ask her after the meeting. 36 people have signed up for the women's guild messaging on the app.

-Karen Hardman presented an example of the \$100.00 advertisement that the WG donated for the KOC exemplification souvenir booklet. It was very nice, and was in color too.

-President Theresa Craiger reported on the (dish washing) sink sprayer project. Plans are still in the works to choose the most efficient sprayer, but it has been decided that the prep sink also could use a sprayer. Price quotes will be obtained once a final decision has been made. Theresa also reported on the bathroom safety project. The handicapped bath room sign has been replaced. This will make it more noticeable for those that need our handicapped bathroom with grab bars. In regard to the main bathroom; it was decided that an over-the-toilet raised seat cover with handle bars would be unsanitary in a public restroom because of the detailed and frequent cleaning requirements. A seat lift will be purchased instead, which should make the low sitting toilet easier to get off of. A price quote is being obtained. After discussion, Lynn Vastag moved that the WG finance the purchase of two sink sprayers, and one toilet lift, once the final decision has been made about the exact models needed. Karen Hardman seconded the motion. The motion was accepted and passed.

NEW BUSINESS

-Chairperson Theresa Craiger presented the TNT production choices for the 2019-2020 season. After discussion and careful consideration, Theresa asked for a show of hands for the first and second choice preference. The members voted for the November production as first choice, and for the September production as second choice.
