## Rural Municipality of Grayson No. 184

P.O. Box 69, Grayson, SK S0A 1E0

Phone: (306) 794-2044

Email: [grayson184@sasktel.net](mailto:grayson184@sasktel.net)

Fax: (306)794-4655

Please forward this application to the R.M. of Grayson Office via mail P.O. Box 69 Grayson, SK S0A 1E0 or email [grayson184@sasktel.net](mailto:grayson184@sasktel.net) . Once the Office receives the application it is then forwarded on to the Building Official. When the Building Official has received and reviewed the information and all the Building and Zoning Bylaws requirements are met, then the information is forwarded on to Council for review and a Development/Building Permit will be issued if there are no concerns.

Once the Development/Building Permit is issued, it is the responsibility of the applicant to ensure the Building Official is contacted for all required inspections.

-----  
**Solid and Liquid Waste Disposal Facilities:** Contact Public Health Office (306) 786-0600 for information and permits.

### **Under Section 2.18 of the Zoning Bylaw**

**All construction must be finished within 24 months from the date on the Building Permit. The final inspection must be made prior to that date. Occupancy cannot take place until final inspection has been completed or a temporary permit has been received from the R.M. to be able to occupy the building.**

As per Resolution 301/21, any expired Building/Development Permits (after the 24 month period) must be reapplied for with a non-refundable fee of five hundred dollars (\$500.00) and further that an interest will be registered on the building title for any unresolved building official orders and expensed to the applicant.

### **Under Section 2.16 Stop-Work of the Zoning Bylaw**

**The Development Officer may authorize action to stop any development which does not conform to this Bylaw, a development or servicing agreement, a Development Permit or condition, or a caveat under this Bylaw.**

### **DO I NEED A WATER SECURITY AGENCY PERMIT?**

The laws governing development in, or near, water are set out in [\*The Environmental Management and Protection Act, 2010\*](#) and [\*The Environmental Management and Protection \(General\) Regulations.\*](#)

Visit <https://www.wsask.ca/> or call 1-306-786-1490.

## Bylaw No. 2004-02 Appendix "A" RURAL MUNICIPALITY OF GRAYSON NO. 184

Instructions to applicant for the completion of the application form for a Development Permit or a change of land use.

The application number will be assigned by the R.M. Office.

1. If you are applying for a permit for land which you do not own, please provide the name and address of the registered owner.

2. Present use of the land: (i.e. vacant lot, cottage or residential lot, cultivated farmland, pasture, etc.)

3. Description of proposed development: Fully describe what you propose to do. If your development includes any excavations, fills, land leveling, clearing, or removal of natural vegetation, please provide complete details. Drawings, diagrams, or photos are very helpful and may be required in some cases. Where your development includes the construction of a building, a Building Permit is required.

4. Site plan: Your site plan should include the following information:

- a) North directional arrow;
- b) The scale to which it is drawn;
- c) The dimensions and lot lines of the lots or parcels;
- d) The dimensions and location of all existing and proposed buildings. Be sure to show the distances from the property lines to any buildings.
- e) The proposed development should be identified; (i.e. outline it in red)
- f) Topographical features; (i.e. watercourses, lakes, drainage ditches, sloughs, wooded areas, etc.)
- g) Location of streets, lanes, roads, power, gas, or telephone lines, etc.
- h) Size and location of any easements or right-of-ways, if any;
- i) Adjoining land uses.

5. A Surveyor's Certificate (Real Property Report) shall be provided to Council to be kept on file with the Development Permit application. This shall define where the boundaries of the lot are, where construction will take place, and be confirmed by legal survey.

6. When a proposed development lies in an environmentally sensitive area, flood hazard zone, slope instability district, or in proximity of a heritage "Site of a Special Nature", the proponent will be required to obtain all necessary reports at their own cost. (See Zoning Bylaw Overlay Districts)

7. Declaration by applicant: Be sure to complete this section and sign the application. An unsigned application will be returned.

### Information Required when Applying for a BUILDING PERMIT

A Building Permit application form must be completed by the owner or an agent of the owner. Information required on the application form includes:

- Legal description and, if available, civic address or building location.
- Owner's, Designer's, and Contractor's or Builder's name, address, and telephone number.
- Use and size of building.
- Type of work being done (new, addition, alteration, renovation, repair, etc.)
- Construction information (materials).
- Value of construction for all of the work including materials, installed systems, labor, overhead, and profit.

Drawings must be submitted with the completed Building Permit application to show what will be built. All drawings should:

- Show the owner's name, project name, and date.
- Be drawn to scale (1:50 or 1/4"=1', or to suit) and the scale should be noted.
- Be blackline or blue-line prints on good quality paper.
- Have legible letters and dimensions that can be read from the bottom or right-hand side of the page.
- If professional design is required, be marked with the architect's or engineer's stamp and signature.
- Clearly show the locations of existing and new construction for additions, alterations, and renovations.

The required drawings are listed below. Information typically shown on these drawings is listed, but other information must be added if necessary to fully describe the proposed construction. For alterations and renovations, some of the drawings may not be required.

**SITE PLAN** – legal description of building location (or civic address, if available); size of site; size of the building(s); location of the building(s) in relationship to the property lines; north arrow; vehicle access to the property; parking; site drainage.

**FOUNDATION PLAN** – overall size of the foundation; size and location of footings, piles, foundation walls; size and location of openings for doors, windows; foundation drainage.

**FLOOR PLAN** – size and location of: interior and exterior walls; exits; fire separations; doors (including door swings and hardware); stair; windows; barrier-free entrances; barrier-free washrooms, other barrier-free facilities; built-in furnishings.

**STRUCTURAL PLANS** – size, material and location of: columns, beams, joists; studs; rafters; trusses; masonry walls; poured in place and precast concrete walls and floors; related structural details.

**ELEVATIONS** – views of all sides of the building; height of finished grade; exterior finishing materials; size and location of doors, windows; location of chimneys.

**CROSS-SECTIONS AND DETAILS** – cut through views of the building; lists of all materials cut through including structural and finishing materials; vertical dimensions; stair dimensions and handrails; height of finished grade; wind, water, and vapor protection; insulation.
