2. We believe the teachings of the Bible are relevant to today's society and to traditional family values.
3. We believe salvation is a gift of God through faith in His only begotten Son, Jesus Christ.

STATEMENT OF PURPOSE

Camp Baldwin, as a ministry of Baldwin Baptist Association, is a facility that exists for the purpose of providing a place where the churches, associations, and agencies of the Southern Baptist Convention can empower kingdom growth by doing evangelism and discipleship in the name of Jesus Christ.

The goal of Camp Baldwin is to provide an environment in its facilities and activities that encourages development in spiritual, intellectual, emotional, social, and physical areas.

Camp Baldwin does permit other Christian denominational groups, and nonprofit groups whose purpose and objectives are compatible with those of Camp Baldwin to use the facilities, as space is available.

In keeping with the purpose of Camp Baldwin, the Camp Director has the authority to schedule or refuse use of the facilities. Any group using the facilities must agree to abide with rules and regulations, safety procedures, and the Statements of Faith and Purpose.
