Just 10 hours to find out more

Each month we will be showing the acclaimed 'Just10' videos, where Canon J. John will look at the commandments and apply them to daily life today.

But, to really gain from these talks, why not come along each following Tuesday and chat about them with others, over a cup of coffee.

We will be giving out a free 'Participants Journal' which outlines J. John's talks and gives some discussion questions to enable you to engage with the Ten Commandments as a small group.

Feel free to come to any or all. The morning and evening sessions will be the same.
