I want to thank so many of you for your well wishes as I regained my health. It has been a most interesting experience and one of which I hope never to revisit. It helped me realize how important family and friends are. Before I became sick, I know I took for granted that we love and care for each other. Suddenly when you are ill in a hospital bed and all alone and they suddenly appear at your door, text you, or call and spend time with you it really makes a world of difference. For such a support network I will be forever humbled.

This will be a very brief Principal's Corner as being out for two weeks has its limitations.

Dear Glover School Families:

Disaster Relief Fund Drive: The drive ends October 4th. **Please do not send in cash and make your checks out to the American Red Cross.** We will be announcing the results at our Community Meeting on Thursday and plan to have a Red Cross representative there to collect the donations. Between Texas, Florida, and Puerto Rico I am sure they need all the money we can give them. If you have a moment send me a quick email telling me how you thought this Service Learning Project went and what you felt your student came away from the project

Picture Make Day: Picture makeups will be on Monday November 13.

Coffee with the Principal: Our next Coffee with the Principal is October 11th at 8:15. I welcome all parents and recommend Pre-K and Kindergarten parents join us. I will explain the various programs in place and how we monitor progress and focus on constant improvements. It is also the right forum for you to raise concerns that I can address directly.

MCAS Test Dates: The lower elementary schools were working on the dates for this year's MCAS when I went out sick. We plan to set the dates this week so you can have ample time to plan for them.

Virtual Backpack: *There are a lot of exciting activities and events taking place in the community. For example Cub Scouts and Girl Scout signups. Don't miss out on any of these wonderful events. You will find a complete listing on the district website;*
