Commemorating the 50th Anniversary of the Oracle Set Book Club

April 02, 2016

On behalf of the residents of Ward 4, I would like to express my sincerest congratulations for this 50th year anniversary of the historic Oracle Set Book Club. This club, which holds the distinction of being the oldest African American book club in Washington, D.C., is a pillar of community outreach, engagement, and charity in the District. In addition to a longstanding tradition of adult literacy programs, the Oracle Set Book Club, through its charitable partner, the Oracle Set Foundation, has awarded nearly \$100,000 in scholarships to students across Washington, D.C. For half a century, the Book Club has served as a testament to the strength of its members and its mission. Thank you, Oracle Set Book Club, for your unwavering commitment to literacy, aid, and scholastic achievement in the District of Columbia. This institution is an integral part of the District's heritage, and I am pleased to present this letter to you today.

Thank you for your service.

Respectfully yours,

Brandon T. Todd
Councilmember, Ward 4
