### **Race Rules**

A barrel down will result in a no-time.

An off-course run will receive a no-time. Any dismount, voluntary or un-voluntary while on course will result in a no-time.

The decision to award a time, or to post a no-time rests with an appointed "Arena Official" or show management. The ruling will be final.

Re-runs may be granted for timer or show equipment failure, or interference as determined by the "Arena Official".

If a no-time situation occurs before the above-mentioned re-run reasons, the no-time will stand.

No re-runs will be granted for rider or equipment failure.

Re-runs can be ran immediately, or if the rider chooses, they may run just after a "big" rake. We will then do a quick clean-up rake and get back to our run order.

Poor sportsmanship or abuse of a horse will not be tolerated. Offenders may be warned, they may be asked to leave the facility at the discretion of show management and will forfeit all entries, stall, office and other fees paid.

### **Issues Not Covered**

Any situation arising not covered by these rules or BRN4D rules will be addressed individually by the Arena Official and show management. The ruling will be final.
