PRESIDENT'S MESSAGE: OCTOBER

Ladies, we're in the last quarter of 2021. Fall is here. I took a little vacation to head up north; Illinois, specifically. The change of seasons has begun. The leaves were turning yellow, orange, red (BEAUTIFUL). Got a little cooler at nights (no humidity). Loved it. Days were 60's & 70's.

Had a great time with Family, Friends, and a short vacation for Paul and I in Savannah, GA. Absolutely Wonderful Time. It's good just to get away for even a short time. Now, glad to be back with all my fantastic quilters.

To date, the Nominating Committee has not been able to find a new President. Article VI, Section (4) Duties of Officers indicates the duties of each officer. Per inquiries as to whether the 1st Vice President takes over when the President is unable to assume her duties due to a personal/medical condition for a short term; during her (the President) tenure as President. This does not affect the nominating process for the new tenure of officers. It only affects those officers while in their 2 year tenure. Remember, all previous tenured officers are available to assist in the transition of any new officers so to make it an easy transition.

We're all getting ready for the Cocoa Village festivities on October 16 & 17. If you have not signed up as of yet, give Gay a call @ 321-529-4282. She still need a little help on Sat & Sun.

CRACKER CHRISTMAS is Happening and we will be there - December 4th & 5th, 2021 !!!!!!!

Our Christmas Luncheon is still tentatively scheduled for Wednesday, December 8th at St. Gabriel's Episcopal Church.

"HAPPY HALLOWEEN".

Thank You, All You Beautiful Ladies for keeping this Guild going.

DONATIONS UPDATE

Happy fall everyone! We have distributed the quilts to Highway Patrol and the stockings and pillowcases to Aging Matters for their Meals on Wheels program. We gave the bed size quilts for their two fundraisers for this year and one for their Wine Festival fundraiser this coming Spring. We still have yet to hear from the Kid's in Transition coordinator so that we can give them the quilts. Thank you to everyone for the help in getting these items ready. We have cut back regarding the quilts donated. We do not give to Health Department as they do not need them. BETA receives quilts from other groups and will call if any are needed. Hospice receives from many groups and will contact us if any are needed. When you make and complete a quilt for donation, please, tell us where you would like that quilt to go, and I will make sure that organization will receive it. Ladies, your donations of fabric and batting are always appreciated, give one of the board members a call and we will happily pick up. - Doris
