

VILLAGE OF PADDOCKWOOD

*NEWSLETTER*

**Tax Reminders**

- A reminder that once you receive your tax notice in May 2017 you will have an opportunity to receive a 10% discount until the 30<sup>th</sup> on June 2017.
- All Landlords are responsible for the water & sewer bills to their rented properties, it is not up to Administration to tell you if the renter is late.
- Any unpaid water & sewer bills as of December 31, 2017 will be added to your taxes and have a 12% penalty added to them.

**Garbage**

A majority of the people are doing a great job with their recycling but we have a long way to go. Our vision is that we all take individual responsibility for what we create. The province of Saskatchewan is years behind in the recycling world and improvements should be encouraged.

Be a good neighbor, if you see garbage in the street or ditch, please address it.

Let's take pride in our Village.

**SaskTel**

Not happy with your cell coverage? Make the call to 1-800-**SASKTEL** (1-800-727-5835). The more voices they hear can make a change.

**Dogs running at large**

It's unfortunate, but in the past people have had no choice but to take matters into their own hands when it comes to aggressive dog situations. We have a dog bylaw, but no one to enforce it. Please be respectful to your neighbors and the safety of the children in the Community and keep your dogs fenced or tied.

**Volunteerism**

Success in a community depends on the level of volunteer work provided.

~
