**STORE AT ROOM TEMPERATURE.
KEEP OUT OF REACH OF CHILDREN.**

Recommended Use: As a dietary supplement, take one capsule per day with a meal, or as directed by your health care practitioner.

Contains two highly bio-available forms of vitamin K, as K1 (Phytonadione) and K2 (Menaquinone-7); both of which are important for maintaining overall health.* Vitamin K1 is the naturally occurring form found in vegetables; while vitamin K2 is a product of soy fermentation (free of soy allergens) metabolizing slowly throughout the day. Vitamins D and K support bone, arterial and immune health.†
