Daily Mass... Why Go?

**Mike Bannon-- the parish archivist-- has been
attending weekday Masses (in addition to
Sunday Mass) for several years now. Why?**

1. Recall the first time you attended a daily Mass.
How was it different from a Sunday Mass?
**My distant recollection is that I found the setting
of daily Mass more quiet with less visual
distractions. I could focus more on my
conversation with God.**

2. What prompted me to restart attending daily Mass?
**Three years ago, with the sudden death of my
wife, Lee, from a massive stroke, I was thrown into
acute grief, experienced extreme and painful
loneliness and suffered frequent panic attacks.
Along with a doctor's help for the panic attacks, I
needed God's Grace to help me "lean" into this
grief journey. I turned to frequent daily Mass to
ask God's help with my continuing grief. This
frequent daily Mass attendance has helped me
with the grief process.**

3. Why do you still attend daily Mass? What is the
benefit you feel from it?
**I still attend frequent daily Mass because I need
the Grace of God to do the right thing every day
and to ask for help and aid from God for other
people who I know are in deep spiritual and
physical need.
We perform no good act without the Grace of God.
Why not attend frequent daily Mass to increase
the flow of God's Grace to your soul and
strengthen your Spiritual Life?**

Blast From the Past

Dorothy Trigg

This week, I found an article from the Feast of the Holy Family, Jesus, Mary, and Joseph, that showed how the Priest, Father Gerrity, was ensuring that the children of the Catholic Families of the area, would be able to have religion classes despite them attending public schools. These children would not have otherwise been able to receive religious instruction at school, and after Catholics came forward to ask for some kind of exemption to this rule for their children, the students were allowed to leave school in order to allow them to attend these classes.

I have contacted the authorities of the Public School about the Released Time religious program afforded to the Churches of the Area. They have assured me that our Children are eligible for this program. The Children are released from School Tuesdays and Wednesdays at stated times. Just as soon as we can get the names of all the Children and arrange some way of getting the children here to Church we will start the program. Today the Sisters will take the names of all children in the fourth and fifth grades who will be released from School to attend our Religious classes here at the Church. The parents of these children can write a note to the teacher when we get the program in operation. The school authorities were glad of our selection.

Note: There will be no more columns until August as I will be on summer break. See you in August!

*Fr. Celsus Auguiste will be celebrating Mass from **July 29th – August 4th**. He will be staying in the Rectory. If anyone is interested in preparing a meal or treating Fr. Auguiste to a meal, please notify the parish office. Thank you*

Crusades, Inquisition, Forced Conversions

Faults in the Church's Past

On Wednesday, Dorothy Trigg finished her three part course on the Crusades. In light of that, I would like to refer everyone to an excellent document from the Church regarding the faults of the Church in the past. It was written by the International Theological Commission in December 1999. The title of the document is *Memory and Reconciliation: The Church and the Faults of the Past*. It can be found on the Vatican's website: www.vatican.va.
