✦ Each puppy must be registered with "Boondocks", at the beginning of the name. **THIS MUST REMAIN IN THE BEGINNING OF THE REGISTERED NAME.** Buyer has 30 days to transfer the papers into their name. If this is not done there is a \$250 fee due to breeder and an additional \$50 fee for each month papers remain in breeder's name.

If for any reason buyer cannot keep puppy at any point in the puppy's life breeder **must** be given first right of refusal, **NO EXCEPTIONS. NO REFUNDS OR MONIES WILL BE GIVEN BY BREEDER TO BUYER.** (Breeder can be reached by phone, text message, e-mail, Facebook, or mail delivery) Any veterinary/vaccine documentation and any registration papers must be supplied to breeder as well. If rehomed without breeder knowledge or written consent, there will be a fee of \$1,000 due immediately from buyer to breeder for breach of contract. If found to be placed/surrendered to rescue/shelter by buyer any and all costs incurred by breeder to get puppy out will be due immediately to breeder from buyer plus the \$1,000 fee for breach of contract. Breeder knows things happen and puppy may somehow get away and be found and taken to a shelter/rescue by a bystander. If this occurs buyer will be given a reasonable amount of time to take puppy back. If not picked up by buyer in a reasonable amount of time there will be a \$1,000 fee due to breeder, buyer forfeits all rights to puppy and any costs incurred to breeder to get puppy out will be due immediately to breeder by buyer.

Breeder offers lifetime breeder support; any questions or concerns can be asked.

✦ **BUYER AGREES THAT PUPPY WILL NOT BE USED IN DOG FIGHTS OR AS BAIT, OR NEGLECTED OR ABUSED.**

If this is found to occur puppy will be surrendered to breeder at the expense of the buyer with no refunds or monies given to buyer. A fee of \$1,500 will become immediately due from buyer to breeder for breach of contract.

The breeder does not guarantee size, stature, conformation, or fertility (if sold with breeding rights) of puppy. There are many things that play into size and or fertility such as nutrition, exercise, keeping the puppy parasite free, etc. It is the buyer's responsibility to keep puppy healthy for the rest of its life once in buyer's possession.

Breeder also does not guarantee ribbons in show for any discipline.

If a puppy needs to be shipped breeder only ships via ground, if a shipper other than breeder is to transport puppy they must be willing to sign an agreement stating that once puppy is in their possession puppy is their responsibility to care for (feed, give water, exercise, clean up after, etc.) and that if anything happens to puppy they are responsible for any and all fees that may incur (vet, injuries, lethargy, dehydration, death, etc.).

A replacement puppy or refund will not be given if an unfortunate event should happen to the puppy. It is shipper's responsibility to replace bought puppy or any costs buyer paid out for puppy and delivery.
