Dear Donor,

Side by Side acknowledges your in-kind donation of children and teen items to our organization. These items will be available to families in the community for their children's needs. Specifically, they will be able to shop for free in our boutique for their own children's clothing needs. We appreciate your support of our organization in this manner. Thank you for your contribution.

Warmly,

Julie McCormick, Side by Side Director

Olena Thomas, Side by Side Boutique Manager
