Client: Takeda Pharmaceuticals (*Deerfield, IL*)

Project Manager: Jim Bax

Project Superintendent: Jeremy Gregorec

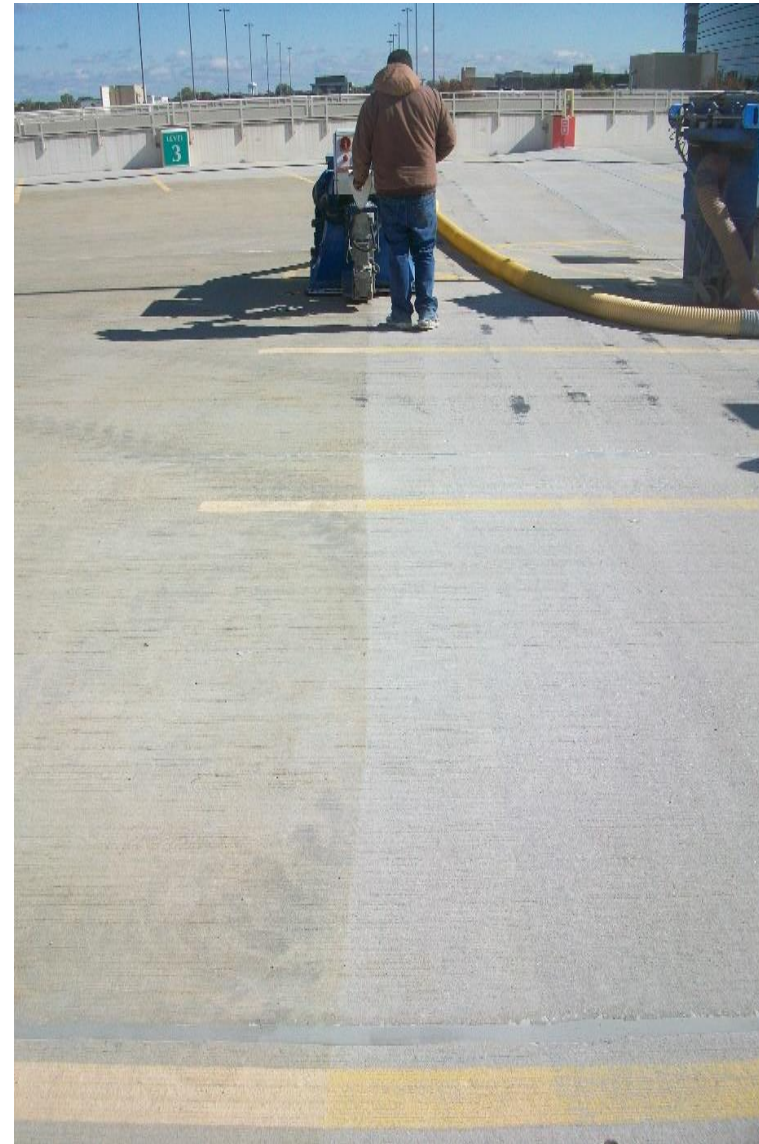

Project Description: In the summer of 2013, J. Gill & Company was hired by Takeda Pharmaceuticals to restore (2) of their employee parking structures. The scope of work consisted of various concrete repairs, sealant replacement, and expansion joint repairs to the structures. 100% of the roof level sealants were replaced in both parking structures. J.Gill also shotblasted the entire roof level to remove rust stains left from snow plows and to prep for the concrete sealer application. The project was completed in the fall of 2013 with contract value of over \$308,000.
