New Chapter T-Shirts

At the Seminole Chapter meeting in August 2013 we discussed our new chapter T-Shirts. We have decided to have a grey wicking-material shirt with a picture of a black panther. This was great choice of logo, because the panther looks tough, strong, and wise; just as we set out to be. The shirt will have our chapter's name "Seminole" on it so that people will know who we represent as we serve with a smile. If you see someone wearing one of these shirts, please take a minute to say "hello" and perhaps shake hands.

-Austin Hulse: Chapter Secretary

Fall Fellowship

The fall fellowship was a great event. Although there was a bit of rain we still had a great time, giving our cheerful service and having fun. We had a total of 5 youth and 4 adults. Our Chapter worked on getting red paint off of the Taylor Dinning Hall's concrete porch. We succeeded with most of the paint. After our service we decided to attend ceremonies to celebrate the new Ordeals, then went and played games. We are looking forward to further events with more attendants.

The Trial of Brotherhood

(No secrets are reviled.)

Going through Brotherhood training and sealing my membership in the Order, I learned a lot more about our Order and feel better about my knowledge. I learned about the ceremonies and what the images of the ceremonies mean. I now know more about ideals of the OA.

I fully encourage all Ordeal members to go through Brotherhood.
