Quotes:

“[Kyle] has a remarkable track-record of achievement in a difficult academic environment. ... I remain impressed by his engineering problem-solving skills and team spirit both of which are particularly evident in group engineering project environments.” **Robert Gallo** - Engineering University Instructor

“I am very grateful for your continued support in helping me reach my goals as I aim to finish my studies this coming school year. Know that your support will encourage me to continue strong throughout my senior year and will help me drive my full potential as an engineer. The hard work and passion that I put in my studies, driven by the opportunity of this scholarship, is my continued affirmation that your support is a huge thing I will always value now and into the future.” **Kyle**
