

2023 EDITION

**A History of
Boys Basketball Statistics
(Team & Individual)**

for MINNEAPOLIS HIGH SCHOOL

Accumulated by Dale Leech

Published on the website:

“Minneapolis Kansas Sports Hall of Fame”

FOREWARD BY DALE LEECH

Enclosed please find the 2023 Edition of a History of Boys Basketball Statistics (Team & Individual) for Minneapolis High School. College/University and Professional Teams Sports Information Directors would call this type of publication a “Press Guide”. I started this project in the early 2000’s as an cumulative effort to provide information for “talking points” during video / audio broadcasts of Minneapolis High School Basketball games of which I have participated in for 21 seasons. In other words, this was initially an effort to satisfy such questions such as “how did what we just see compare to what has occurred in the past”?

There is no claim that this document is an exhaustive compilation of statistics, but it probably is the most extensive available for the boys basketball program at Minneapolis High School. Data included has been gleaned from Minneapolis newspapers (*MESSENGER & BETTER WAY*), the *SALINA JOURNAL*, other area newspapers, School Annuals and publications, statistics provided by team coaches, and some by video evidence in local broadcasts. It in no way is touted to be an infallible document, but a statement of what I believe is the best information available based on what has been published and seen by this researcher. Many times I have thought of publishing this information for the enjoyment of others, but experience has taught me that the printing and reproduction costs for such an effort on a small scale, are almost prohibitive. Thus a publication through a website became an attractive idea.

The author’s intent on releasing this information to the public via the website – “Minneapolis Kansas Sports Hall of Fame” is to share it for the enjoyment of MHS sports fans and current and former team athletes. Memories sometimes fade, but published statistics don’t. However these statistics are sometimes lost in archives or become overlooked. This publication is an intent to help keep fresh those memories and help those statistics remain known and relevant for those who care.

My intent is to update this document periodically to include new team/individual performance data and the additions from further research. If anyone has information of interest that could possibly be added to this total document, please contact me by FaceBook *Messenger* or at my personal e-mail – dleech@eaglecom.net

My apologies to those who read this document who are trained historians. I don’t reference historical sources in this document other than what you see above. I determined that this effort alone would be too extensive. I do have the sources referenced in my files should someone care to question the validity of any information presented here-in.

Some last thoughts. The statistics shown here-in show the “the best of times” and the “worst of times” and many points in between. Some teams have been blessed with more skilled athletes than others, larger squad numbers than others, perhaps better coaches than others, and sometimes just better luck than others, especially in the injury department. Nonetheless, the efforts of all student athletes who currently participate or those who have in the past participated are deeply appreciated. We thank you for your dedication and effort at Minneapolis High School.

Also, in updating the data used in the 2023 edition, I found typos and other data entry errors. I have corrected those for this addition as I have found them. I apologize for the oversights. If anyone finds other errors in this edition please feel free to contact me to let me know.

TABLE OF CONTENTS for the 2023 EDITION of MHS Boys Basketball Statistics

I.	A History of MHS Boys Basketball	Pages 4 – 6
II.	Series History vs. Opponents Synopsis	Pages 7 – 9
III.	Series History vs. Opponents	Pages 10 - 29
IV.	Seasons History (1904/05 – 2022/23)	Pages 30 - 61
V.	Seasons Totals Synopsis	Pages 62 – 64
VI.	Leagues Participation & Results Synopsis	Pages 65 – 69
VII.	Win / Loss % Home-Away-Neutral by Coach & Season	Pages 70 - 73
VIII.	History of KSHSAA Tournament Games Played	Pages 74 – 81
IX.	History of non-KSHSAA Tournament Games Played	Page 82 - 87
X.	History of Overtime Games Played	Pages 88 – 89
XI.	Team Statistics (Various)	Pages 90 – 100
XII.	Roster of Head Coaches and Records	Page 101
XIII.	History of All-League Selections (Players)	Pages 102 - 105
XIV.	History of Post Season Awards (non-League) (Players)	Pages 106 - 108
XV.	History of Collegiate / Post Graduate Player Careers	Page 109
XVI.	2022/23 Individual Season/Career Statistics	Pages 110 - 111
XVII.	Alumni Individual Career Statistics	Pages 112 – 134
XVIII.	MHS Individual Leaders Career/Season/Games	Page 135
XIX.	Scoring Statistics Individual Leaders	Pages 136 – 145
XX.	FG / FT Statistics Individual Leaders	Pages 146 – 171
XXI.	Rebounding Statistics Individual Leaders	Pages 172 – 174
XXII.	Double-Doubles (Points & Rebounds) Leaders	Pages 175 - 178

XXIV.	Steals Statistics Individual Leaders	Pages 183 – 185
XXV.	Shot Blocks Statistics Leaders	Pages 186 – 187

BOYS BASKETBALL at MINNEAPOLIS HIGH SCHOOL – A BRIEF HISTORY

By Dale Leech

A new journey in sports started 120 years ago for the boys attending Minneapolis High School and the local athletic supporters. At the conclusion of the football season (which often times went into the last week of November), the high school athletic club followed the lead of area schools, Delphos and Glasco and began the playing basketball competitively themselves. Seven boys on this team played 5 games from December through February. The first 4 games were against the athletics clubs from Delphos and Glasco (home and away) which resulted in losses. The first MHS win came on February 25, 1905 by a score of 36 – 17 versus a club from Peabody High School who was traveling through by train on their way to games in Delphos and Glasco. The Glasco team was undefeated that season and won the State Championship in March. On that team was Earl Woodward, who two seasons later began playing for the University of Kansas where he participated on teams that won Missouri Valley Conference championships. Earl Woodward returned to the area after graduation and became the first coach of the Minneapolis High School basketball team in 1910-11. Woodward coached the squad for 3 seasons for an overall record of 11 wins & 14 losses before retiring from coaching to become editor and later editor/owner of the *Minneapolis Messenger* where he continued to be a booster of the local program. It was reported that Mr. Woodward was a major proponent in organizing the Solomon Valley League of which MHS was a charter member, for the 1911-12 season.

The first Invitational Tournament that the MHS squad competed in came in their second season, for three days in December 1905 at Glasco. The MHS boys went 0-6 against teams from Glasco High, Glasco Alums, and teams from Washburn College, Campbell College of Holton, and the Kansas Agricultural College. The tournament had been advertised that it was to have been officiated by Coach James Naismith from the University of Kansas, but he apparently had to cancel out shortly before the tournament. The 6th loss of the tournament for the MHS team, provided the first ever win for the basketball program of the Aggies of the K.S.A.C. (now the Kansas State University Wildcats).

Local sports, long before the advent of radio and TV provided a favorite avenue of entertainment for the area boosters. They welcomed a sport to watch in the cold winter months to continue on from summer baseball and the still fledgling local football program in the Fall. This interest heavily continues to this day despite all the other entertainment distractions that compete for the interest of local citizenry.

Practice and playing facilities, along with transportation issues were major factors that heavily influenced the course of MHS basketball and other sports over the first several decades.

Early practices and games were played in various venues including large tents, opera houses, the top floor of the new City Hall (corner of 2nd & Rock streets), National Guard armory, and the top floor of the *Minneapolis Messenger* building (at the corner of West 2nd and North Ottawa streets). Facilities were a major challenge for many schools around the area, though Glasco touted a “Davidson Auditorium” which hosted the 1905 Invitational Tournament. A new Minneapolis High School building opened in February 1916 which included the first school gymnasium after the teams using substandard facilities for 11 seasons. The new gym’s playing surface was sunken 10 -15 feet below ground level and its walls were no more than 2-3 feet from the court boundaries. This gym provided very limited space for fans to observe games but it provided the much needed first regular practice and playing facility that was designed for basketball along with physical education. MHS began hosting yearly Invitational

Tournaments there in the 1923/24 season. The facility was used as the “competition gym” for 24 seasons before the opening of the new facility at the Minneapolis Grade School in 1939/40. This new gym was used for high school competition 22 seasons and must have seemed like a spectator’s mecca after the original gym. The new, current High School and its accompanying gym opened in 1961/62. The gym was used for 56 seasons (with the playing surface finally being replaced in the last 10 years of its use for varsity competition). The MHS squads happily opened play in their latest “competition gym” in February 2016, which gave the home team for the first time ever, a full length regulation court and a seating capacity twice the size of the 1961/62 facility.

Options for early transportation to games for all teams were by train, horse drawn buses, bob sleds, and private automobiles. Paved roads were unheard of for decades, thus making road trips an “adventure”. Cost of transportation must have been a constant struggle. These variables seemed to cause MHS local competition to change initially from a mixture of larger (more distant) and smaller schools to basically the smaller schools within 40-50 miles of Minneapolis. Even though MHS was not necessarily “large” in student enrollment, it often times was the larger of many of the schools that it faced in annual competition. This size disparity however didn’t necessarily mean regular success. Delphos, Glasco & Miltonvale often times were successful in defeating the MHS squads. During the late 1930’s the school enrollment size kept increasing enough to where MHS moved briefly into the KSHSAA “Class A” category. Around this time also, the school district started buying buses which were used for team transportation along with other school needs. With this came the opportunity for MHS to join the North Central Kansas League (1939-40) and regularly compete against schools who were around their size or larger. Local fans welcomed this change and for around a decade, MHS regularly competed well against their new competition, while continuing to struggle occasionally against the smaller schools of Delphos, Glasco & Miltonvale. MHS enrollment didn’t gain enough in the late 1950’s & early 1960’s to allow MHS to regularly compete well against many of the schools in the NCKL who were twice their size or larger, especially in football. After the 1965/66 school year, MHS along with several other NCKL squads formed the Northern Kansas League (NKL) to step away from the larger schools. North Ottawa County schools consolidation occurred the following year and competition kept on in the NKL for over a decade until 4 schools located furthest away from MHS pulled out of the league due to pressures from the cost of the perceived “fuel crisis” of the time. At that point in 1976/77 MHS began competition in a “Salina centered” League – the North Central Activities Association. This league survived until 1986-87 until disbanding due to withdrawals by smaller schools and continued transportation costs for schools furthest from Salina. MHS had a difficult time finding a new league and was placed in the Central Kansas League (CKL) by the KSHSAA where it competed from 1987-88 through 1993-94. Regular trips to Lyons, Ellinwood, Hesston and Haven in the CKL were a hardship for everyone, both ways. The resumption of the NCAA League in 1994/95 returned MHS to competition in a “Salina Centered” league. This favored transportation centered concept continues to this day as league officials consented to adding Russell to the league in 1996/97 and Sacred Heart in 2004/05 but rejected membership requests from both Hoisington and TMP of Hays in 2012 primarily due to distance considerations, despite requests from the KSHSAA.

MHS boys basketball has had a variance of success in its 119 years of history. It can claim 15 league titles and 9 trips to State Tournaments. They have been in the “Final Four” of all but two of these State Tournaments and advanced to the Finals in five of them, all resulting in 2nd Place finishes. Four of these losses were to teams who moved down from KSHSAA “Class 4A” that season. The 1st was to an

undefeated defending State Champion (Natoma – Class B) who beat out the Lions of MHS in Overtime. The school can boast 4 coaches whose tenures included 9 years or more each and 100 wins or more. Three of them coached in all of the 9 State Tournament appearances by MHS. In all of these appearances, large numbers of the citizenry of the school district and alums throughout the state supported their MHS Lions by traveling to the State Venues.

The MHS program can boast a “Mr. Kansas” basketball award winner – 2006 graduate Ryan Wedel. Ryan holds the MHS Career/Season/Game scoring records along with several other accolades. A highlight of his senior season was scoring 25 points in the opening 2 minutes 3 seconds of the 2nd half of a home game vs. SE of Saline. He set the MHS game high scoring record of 46 points in this game, breaking his own 42 point game record that he had set the previous season at Ellsworth. This scoring outbreak made national news on the TV network *ESPN*. Ryan went on to play for Arkansas State and Drake University, being 1 of only 3 MHS alums who were awarded scholarship players at Division I schools in basketball. The others were Eddie Wallace for Kansas State and John Matt for the University of Kansas. Ryan was inducted into the first class of the Minneapolis Sports Hall of Fame (www.mkssportshof.com) in May 2015.

To date in 119 seasons, MHS boys basketball has a career total 1,161 wins in 2,254 games for a winning % of 51.6. In overall league competition they have 568 wins in 1,126 games for a winning % of 50.4.

In KSHSAA sponsored tournaments MHS has won 138 of 257 games for a winning % of 53.7, and has won 17 championships, finished 2nd 29 times, and 3rd seven times.

In non-KSHSAA sponsored tournaments MHS has won 205 of 351 games for a winning % of 58.4, and has won 28 championships, along with 21 ea. 2nd place and 20 ea. 3rd place finishes.

KSHSAA completion levels over the decades for MHS have gone from 1 large state level class to Class “B”, to “A”, “B”, “AA”, “A”, “AAA”, “AA”, “AAA”. Most of these changes have occurred due to variances in MHS enrollment size but some were brought on by changes in KSHSAA class size regulations.

SYNOPSIS Of RESULTS - Minneapolis High School Boys Basketball vs. Opponents
