Dear Parents,

October was filled with arts and crafts, Halloween activities, and numerous other enjoyable ventures and we hate to see it come to an end...

Fortunately, November brings more of the same! The month may bring chillier weather, but that doesn't stop our classes from having a blast here at Beginning Visions! Our November days will be focused on the importance of family and friends, open discussions about our homes and neighborhoods, and reflecting on the history of the American Indians and the Pilgrims! We will continue to play outside when possible so please do not forget to bring appropriate Fall attire when dropping off your children.

This Month we have included some of our center's best Halloween costumes and artwork. Be sure your family is receiving our emails. There are more fun pictures there!

Thanks for your patience with the playground reconstruction. Hopefully, it will be finished soon!

Just a friendly reminder to **set your clocks back an hour the night of November 4<sup>th</sup>** ... That extra hour will be much appreciated by the BV staff and I'm sure your families agree!!

**We hope you and your families have a wonderful Thanksgiving and we can't wait to hear about how much your children enjoyed it!!**
