

# Alamo Rec Veh Park News etc.

December 22, 2023

**From Barbara Hamel  
Gen. Mgr. of Alamo Rec Veh  
Park**

Alamo Rec Veh has always been a park of volunteers. These are the people who make our park go. I want to thank those of you who have been working to help us out this year and encourage more of you to contact our activity office or the main office to offer whatever volunteer work you can do.

I hope you are noticing the fact that the lake is now filling up. We're going to let it fill through Monday night to give it the best look it can have.

Our activities are going well. We hope you support our park by attending as many of them as you can. Lots of great meals served here!

Last but not least, I want to wish each and every one of you a very Merry Christmas and Happy New year.

Enjoy the Holidays!

Just a note of thanks for te Ladies Luncheon. What a wonderful time with friends. The food was delicious and the table was decorations festive. There was a nice assortment of "gifts" for each lady. I chose the cookie baking skillet! Everyone seemed to enjoy the luncheon. Thank you for the hard work, ladies. I always say 'if you want something done, and done well, just ask a woman to do it!' A Merry, Joyous Christmas to all.
