*Missionaries to the Local Churches of America*

September/October 2019

Dear Pastor and Church Family,

*"I will praise thee, O Lord, with my whole heart: I will show forth all thy marvelous works. Psalm 9:1*

We have been reminded time and time again about the goodness of the Lord. Life has many ups and downs and sometimes we just can't see how things are going to work out, but God knows what happened yesterday, today and what will happen tomorrow. Nothing is a surprise to him. He has perfect timing as we have witnessed all throughout our deputation. The Lord is so good and has blessed us beyond measure! He has met every one of our needs with his wonderful provision. In September, we were able to get our truck back on the road. That was a huge blessing and answer to prayer! Thank you again to all those who helped with the repairs. It is running fantastic!

In mid September, we wrapped up our six week Leadership Training/Outreach Program with Community Baptist Church in Devine, Texas. In addition to the training, we were able to help with several special events the church was hosting, and also help with a few things around the church. We had a wonderful time with God's people, and saw many positive things take place during our time with them. Attendance increased in every service and several visitors were present each week, some of which were a direct result of the outreach. We also saw an increase in the number of people attending the outreach on Saturdays, which was a real blessing.

After leaving Devine, we continued on the deputation trail. Before leaving Texas, we had mission conferences in Fort Worth, Kaufman and Mabank. Next we drove to Arizona. In Arizona, we were able to present the ministry and preach in six different churches and attend a pastor's fellowship. We were also able to see one precious lady receive Christ. Praise the Lord! Having a place to stay or to hook up the trailer while we are in an area is always a concern. We are so thankful for Desert Springs Baptist Church who allowed us to hook up our trailer at their church while in the area. It was truly a blessing, as were the pastor, his dear wife and the church family. We enjoyed the fellowship and friendships made during our stay. From Arizona, we traveled to Lufkin, TX for a meeting, and finally back to our home church for one week. While back at our home church we were able to observe the Lord's Supper with our church family, help with buses, attend church-wide soul winning, preach the college chapel service and preach the Sunday night service. We also used this time to prepare for our upcoming journey to Sherman, TX, Texarkana, Maryland, North Carolina, Alabama and Florida.

Thank you for your faithful prayers and support. Please continue to pray for our safety as we travel and that we will gain the last of the support needed as we finish up this deputation. We are excited that this deputation is drawing to an end. Our 2020 calendar is already filling up with churches to help.
