

Engineering Confidence

CORE Partnership has partnered with ThyssenKrupp to offer you the latest in diagnostic tools, troubleshooting support, PC board repair and servicing for a variety of manufacturers' elevator units.

ThyssenKrupp Elevator is CSM's approved supplier for the following products:

- New construction of elevators and escalators
- Preventative maintenance and AHJ required maintenance
- Elevator testing and compliance certification
- Modernization of existing equipment
- Repairs and replacement parts
- Upgrades and interior and exterior elevator finishes

Benefits

Through 5,700 certified service technicians in over 230 branch and service locations, ThyssenKrupp Elevator commits the full resources of the world's most advanced maintenance organization to the local service of your elevators.

Through this national system, we guarantee you superior benefits:

- Increased safety
- Prolonged elevator life-cycle
- Enhanced efficiency
- Prevention of costly downtime
- Quality parts specialists
- Peace of mind

When something goes wrong, you want to know right away. That's why the ThyssenKrupp Elevator Communications Call Center **monitors elevator emergency telephones 24 hours a day, 365 days a year** – so you know someone is always watching.
