[www.teamhoustonbaseball.com](http://www.teamhoustonbaseball.com)

Although the idea was formed over 8 years ago, the TH Baseball Corporation was officially formed in 2016. Coach Earl Luckett was trying to find a way for the top-level baseball talent in Houston and surrounding areas to play together and compete in some of the larger national tournaments. Now in our 9<sup>th</sup> season, Team Houston has two 10U teams, two 11U/12U teams, one 13U team, and three 14U teams which workout and practice in the Woodlands/Conroe area at Scrap Yard Sports, 29807 Robinson Rd, Conroe, TX. In addition, we are looking forward to having at least 4 High School showcase teams in the summer of 2020, ages 15U-18U.

Our teams participate in National tournaments every summer and in 2019 participated in these prestigious events:

- 11U, 13U, and 14U Grand Slam World Series of Baseball – Panama City, Florida
- 13U Perfect Game BCS – Fort Myers, FL
- 12U and 14U USSSA Global World Series – Gulf Shores, Alabama
- 12U Cooperstown – Cooperstown, New York
- 15U and 16U PG WWBA National Championship – LakePoint, Georgia
- Several High School College Coach Showcase tournaments – Houston, TCU, and surrounding areas

Please visit our website to view our accomplishments, Christmas Adopt-a-family events, and learn more about our mission, our coaches, and our program. Thank you for assisting us in helping our athletes achieve their college, career, and life goals.
