

Active members of the Allenmore Men's Club are allowed to accrue book money and use these proceeds on golf course merchandise, Men's Club dues, locker rentals, green fees, cart rentals, and/or any other benefits that are mutually agreed upon by the Men's Club and Allenmore Golf Course. Members who are inactive for more than 12 months are considered lapsed members and will forfeit all accrued book money. Exceptions to any forfeiture may be granted by the Men's Club Executive Board upon appeal by the member within 90 days of being considered lapsed. Appeals of forfeited payout monies will not be considered once the proceeds are forfeited and liquidated.

Simplified Explanation:

Membership to our Men's Club exists for each calendar year. If you remain an active and paid member of our club, your book money will remain on the books and will not expire or be forfeited. If you become inactive and unpaid for a complete calendar year, your book money will be marked for forfeiture on January 1st of the following year. Lapsed members will be notified and may appeal the forfeiture of that book money until March 31st. No appeals will be considered as of April 1st.

Beginning in 2018, each joining member must acknowledge this policy and sign the annual Membership Application Form.
