DESCRIPTION: This restored 1963 BP Colt is a fun little bow to shoot, and surprisingly accurate. Walnut and maple riser. I added maple tip overlays to beautify, strengthen and reinforce the tips for use with Fastflight and other more modern string materials. I was able to restore this bow to a like-new condition. The only noticeable difference is that the original Colt decal and surrounding "yellowed" area has been preserved. There is no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; no chips, dings or cracks. No crazing or stress cracks; A few minor scratches and nicks here and there.

Comes with a new string.
