Fasting & Abstinence

Good Friday is an obligatory day of fasting and abstinence for Catholics. The norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal, as well as two smaller meals that together are not equal to a full meal. The norms concerning abstinence from meat are binding upon members of the Latin Catholic Church from age 14 onwards. If possible, the fast on Good Friday is continued until the Easter Vigil (on Holy Saturday night) as the "paschal fast" to honor the suffering and death of the Lord Jesus, and to prepare ourselves to share more fully and to celebrate more readily his Resurrection.

The Diaper Drive

Shippensburg Produce and Outreach, originally started by the Shippensburg Community

Resource Coalition in 2016, this diaper drive serves residents in the Shippensburg Area School District with children who are facing diaper insecurities. Along with diapers, the personal care products are a need for families as well. We all know that diapers and personal care products are expensive, but also a basic need for good health. We are collecting for the babies, children, and families that are in need of these items but are unable to afford them. The average cost of diapers for one child each month is \$125, and comes out to be \$1,500 each year. This does not include the baby wipes, baby powder, creams and other personal care products babies and adults need to stay healthy. We are accepting both full and travel sizes of all the items.
