**THIS DOCUMENT IS A MATTER OF PUBLIC RECORD**  
**GENERAL AFFIDAVIT**

**State of California**

**County of Nevada**

**BEFORE ME**, the undersigned Notary, Jamie Arigo, on this 27 day of July, 2017, personally appeared Michael Charles. School, known to me to be a credible person and of lawful age, who being by me first duly sworn, on his oath, deposes and says:

I am the Executor, and Beneficiary of the Legal Person/Entity known as MICHAEL CHARLES SCHOOL, I believe that California Motor Vehicle Code, CVC 12500(a) is in violation of the 10th Amendment, Bond v. US 564 U.S. \_\_\_\_ (2011) on appeal and my common and natural law rights. My "License" expired on 8/24/2016 (At the road side stop, the possession of a "Drivers License" is the indicia (evidence) of contract with State/DMV. Note; " Where a person is not at the time a licensee of the particular agency [DMV], their license having expired and they not having asked its renewal, neither the agency nor any other officials has jurisdiction of said person." For reference, see O'NEIL v. Department of Professions and Vocation, 7CA 2d 398.) I am of the opinion and belief that all Statutory Regulations (California Civil Codes) are in violation of my common and natural law rights. I am not a public servant and any claim to the contrary must be proved by payroll records and my alleged public servant title and sworn under the penalty of perjury and full commercial liability. I do not operate a for profit business using the highways, roads or streets for any city, county, and/or State of California using a commercial motor vehicle. I claim common law jurisdiction. I do not consent to this unlawful proceeding and I am waiving the compelled benefit. I do not surrender any natural or common law rights in this proceeding. I do not plead to courts of contracts. I also reserve all Civil rights including the right to file a "Statement of Claim" for violations of my inherent rights under California Rules of Civil Procedure. 16th American Jurisprudence, Second Edition, Section 177: "The general misconception is that any statute passed by legislators bearing the appearance of law constitutes the law of the land. The U.S. Constitution is the supreme law of the land, and any statute, to be valid, must be in agreement. It is impossible for both the Constitution and a law violating it to be valid; one must prevail. This is succinctly stated as follows: The general rule is that an unconstitutional statute, though having the form and name of law, is in reality no law, but is wholly void, and ineffective for any purpose; since unconstitutionality dates from the time of its enactment, and not merely from the date of the decision so branding it. As unconstitutional law, in legal contemplation, is as inoperative as if it had never been passed. Such a statute leaves the question that it purports to settle just as it would be had the statute not been enacted. Since an unconstitutional law is void, the general principles follow that it imposes no duties, confers no right, creates no office, bestows no power or authority on anyone, affords no protection, and justifies no acts performed under it... A void act cannot be legally consistent with a valid one. An unconstitutional law cannot operate to supersede any existing valid law. Indeed, in so far as a statute runs counter to the fundamental law of the land, it is superseded thereby. No one is bound to obey an unconstitutional law and no courts are bound to enforce it."

Any court, government or government officer who acts in violation of, in opposition or contradiction to the foregoing, by his, or her, own actions, commits treason and invokes the self-executing Sections 3 and 4 of the 14th Amendment and vacates his, or her, office.

Brady v. U.S., 397 U.S. 742, 748: "Waivers of Constitutional Rights, not only must they be voluntary, they must be knowingly intelligent acts done with sufficient awareness FURTHER, THIS AFFIANT SAYETH NOT.

The Oath of office is a quid pro quo contract cf [U.S. Const. Art. 6, Clauses 2 and 3, Davis Vs. Lawyers Surety Corporation., 459 S.W. 2nd. 655, 657., Tex. Civ. App.] in which clerks, officials, or officers of the government pledge to perform (Support and uphold the United States and state Constitutions) in return for substance (wages, perks, benefits). Proponents are subjected to the penalties and remedies for Breach of Contract, Conspiracy cf [Title 18 U.S.C., Sections 241, 242]. Treason under the Constitution at Article 3, Section 3., and Intrinsic Fraud cf [Auerbach v Samuels, 10 Utah 2nd. 152, 349 P. 2nd. 1112, 1114. Alleghany Corp v Kirby., D.C.N.Y. 218 F. Supp. 164, 183., and Keeton Packing Co. v State., 437 S.W. 20, 28]. Refusing to live by their oath places them in direct violation of their oath, in every case. Violating their oath is not just cause for immediate dismissal and removal from office, it is a federal crime. Federal law regulating oath of office by government officials is divided into four parts along with an executive order which further defines the law for purposes of enforcement. 5 U.S.C. 3331, provides the text of the actual oath of office members of Congress are required to take before assuming office. 5 U.S.C. 3333 requires members of Congress sign an affidavit that they have taken the oath of office required by 5 U.S.C. 3331 and have not or will not violate that oath of office during their tenure of office as defined by the third part of the law, 5 U.S.C. 7311 which explicitly makes it a federal criminal offense (and a violation of oath of office) for anyone employed in the United States Government (including members of Congress) to "advocate the overthrow of our constitutional form of government"

United States Constitution and the common law authorities of Haines v Kerner, 404 U.S. 519, Platsky v. C.I.A. 953 F.2d. 25, and Anastasoff v. United States, 223 F.3d 898 (8th Cir. 2000) relying on Willy v. Coastal Corp., 503 U.S. 131, 135 (1992), "United States v. International Business Machines Corp., 517 U.S. 843, 856 (1996), quoting Payne v. Tennessee, 501 U.S. 808, 842 (1991) (Souter, J., concurring). Trinsey v. Pagliaro, D.C. Pa. 1964, 229 F. Supp. 647, American Red Cross v. Community Blood Center of the Ozarks, 257 F.3d 859 (8th Cir. 07/25/2001).

In re Haines: pro se litigants (Plaintiff is a pro se litigant) are held to less stringent pleading standards than BAR registered attorneys. Regardless of the deficiencies in their pleadings, pro se litigants are entitled to the opportunity to submit evidence in support of their claims. In re Platsky: court errs if court dismisses the pro se litigant (Plaintiff is a pro se litigant) without instruction of how pleadings are deficient and how to repair pleadings. In re Anastasoff:

## Fraud

vitiates the most solemn contracts, documents and even judgments;" [u.s. vs. Throckmorton, 9B us 61, atpg.6sl."It is not necessary for rescission of a contract that the party making the misrepresentation should have known that it was false, but recovery is allowed even though misrepresentation is innocently made, because it would be unjust to allow one who made false representations, even innocently, to retain the fruits of a bargain induced by such representations." [Whipp v. Iverson. 43 Wis Zd L66]. "Any false representation of material facts made with knowledge of falsity and with intent that it shall be acted on by another in entering into contract, and which is so acted upon, constitutes 'fraud,' and entitles party deceived to avoid contract or recover damages." Barnsdall Refining Corn. v. Birnam Wood Oil Co. 92 F 26 BL7

## Exhibit 9 B

Fraud upon the court[edit]

In the United States, when an officer of the court is found to have fraudulently presented facts to court so that the court is impaired in the impartial performance of its legal task, the act, known as "fraud upon the court", is a crime deemed so severe and fundamentally opposed to the operation of justice it is not subject to any statute of limitation.

Officers of the court include: Attorneys, judges, referees and those appointed; guardian ad litem, parenting time expeditors, mediators, rule 114 neutrals, evaluators, administrators, special appointees and any others whose influence are part of the judicial mechanism.

"Fraud upon the court" has been defined by the 7th Circuit Court of Appeals to "embrace that species of fraud which does, or attempts to, defile the court itself, or is a fraud perpetrated by officers of the court so that the judicial machinery can not perform in the usual manner its impartial task of adjudging cases that are presented for adjudication".[10]

In *Bulloch v. United States*,[11] the court stated "Fraud upon the court is fraud which is directed to the judicial machinery itself and is not fraud between the parties or fraudulent documents, false statements or perjury.... It is where the court or a member is corrupted or influenced or influence is attempted or where the judge has not performed his judicial function—thus where the impartial functions of the court have been directly corrupted."

Heinous crimes in the United States[edit]

*UCC 1-201. General definitions*

44. "**Value**". Except as otherwise provided with respect to negotiable instruments and bank collections (sections 3-303, 4-210 and 4-211) a person gives "value" for rights if he acquires them:

**(b) As security for or in total or partial satisfaction of a preexisting claim;**

Usually a person gives value when he is exchanging them for rights he is acquiring as security for that one transaction. Those rights might be in the title to real property, or capacity to sue, or for performance. According to subsection (b), a person (United States) can give value (benefits) for rights (pledge) he (United States) is acquiring from a U.S. citizen, as security for satisfaction of a claim that already exists (national debt). The rights the United States gets from the U.S. citizen secure payment or performance on that preexisting claim the international bankers have against the United States and its sureties. The person giving the value (United States) has supposedly already received a promise of some sort from the U.S. citizen

Clean Hands Doctrine

n. a rule of law that a person coming to court with a lawsuit or petition for a court order must be free from unfair conduct (have "clean hands" or not have done anything wrong) in regard to the subject matter of his/her claim. His/her activities not involved in the legal action can be abominable because they are considered irrelevant. As an affirmative defense (positive response) a defendant might claim the plaintiff (party suing him/her) has a "lack of clean hands" or "violates the clean hands doctrine" because the plaintiff has misled the defendant or has done something wrong regarding the matter under consideration.

"The ultimate issue in determining whether a person is subject to suit under § 1983 is the same question posed in cases arising under the Fourteenth Amendment: is the alleged infringement of federal rights fairly attributable to the [government]?" *Rendell-Baker v. Kohn*, 457 U.S. 830, 838 (1982) (citation and

## Exhibit 9c

internal quotation marks omitted); see also *Kitchens v. Bowen*, 825 F.2d 1337, 1340 (9th Cir. 1987) ("[T]he standards utilized to find federal action . . . are identical to those employed to detect state action.") (citation and internal quotation marks omitted). As this court has recognized in *Collins v. Womancare*, 878 F.2d 1145, 1151 (9th Cir. 1989), the Supreme Court has adopted a two-part test for answering that question.

First, the deprivation must result from a governmental policy. 1See *id.* In other words, the deprivation "must be caused by the exercise of some right or privilege created by the [government] or a rule of conduct imposed by the [government]." *Lugar v. Edmondson Oil Co., Inc.*, 457 U.S. 922, 937 (1982). Neither party disputes that the IRC and INS requirements that employers obtain their employees' social security numbers satisfy this criterion. Both are rules of conduct imposed by the federal government that caused Plaintiff's deprivation.

Second, "the party charged with the deprivation must be a person who may fairly be said to be a [governmental] actor." 38Id. The Court adopted that test because "S 1983 excludes from its reach merely private conduct, no matter how discriminatory or wrong." *American Mfrs. Mut. Ins. Co. v. Sullivan*, 119 S.Ct. 977, 985 (1999) (citation and internal quotation marks omitted). Indeed, "[w]ithout a limit such as this, private parties could face . . . litigation whenever they seek to rely on some . . . rule governing their interactions with the community surrounding them." *Lugar*, 457 U.S. at 937. *SUTTON v. PROVIDENCE ST. JOSEPH MEDICAL CENTER* 192 F.3d 826, 835 (9th Cir. 1999)

Section 1983 "is not itself a source of substantive rights," but merely provides "a method for vindicating federal rights elsewhere conferred." *Baker v. McCollan*, 443 U. S. 137, 144, n. 3 (1979). The first step in any such claim is to identify the specific constitutional right allegedly infringed. *Graham v. Connor*, 490 U. S. 386, 394 (1989); and *Baker v. McCollan*, *supra*, at 140.

"We have previously held that under § 1983 the qualified immunity defense is inapplicable whenever an official "does an affirmative act, participates in another's affirmative acts, or omits to perform an act which he is legally required to do that causes the deprivation [of an individual's rights]." *Johnson v. Duffy*, 588 F.2d 740, 743 (9th Cir. 1978) (emphasis added). Under § 1983 when an official fails to take an action that he has a clearly established duty to take and that failure is a foreseeable contributing factor to the violation of a plaintiff's constitutional rights, the defense is similarly unavailable. *Id.* We see no reason that same rule should not apply in *Bivens* cases. See *Butz v. Economou*, 438 U.S. 478, 504, 98 S.Ct. 2894, 2909, 57 L.Ed.2d 895 (1978) (for purposes of immunity analysis no distinction should be drawn between suits brought against state officials under § 1983 and suits brought under the Constitution against federal officials); *Lonneker Farms, Inc. v. Klobucker*, 804 F.2d 1096, 1097 (9th Cir. 1986) (same)." *ALEXANDER V. PERRILL* United States Court of Appeals, Ninth Circuit. 916 F.2d 1392 (9th Cir. 1990)

" A municipality, with its broad obligation to supervise all of its employees, is liable under § 1983 if it supervises its employees in a manner that manifests deliberate indifference to the constitutional rights of citizens." *Doe v. Taylor Independent School Dist*, 15 F.3d 443, 453 (5th Cir. 1994)

Affidavit of Fact

All statements made under penalty of perjury by Michael C. School

Aggrieved Party Firsthand eyewitness competent to testify

On 5/30/2017 I was Traveling South on hwy 49 and exited to go into Riebe's to get oil for my Tahoe. As I pulled into the parking lot and parked, a CHP vehicle had pulled in behind me with red lights on so I got out to see what was wrong. The officer asked me to get back in my vehicle. He came up to my door and asked me to lower the window all the way which I did. He then asked about my "Plates". (\*See exhibit A-1 I informed him that I had just left DMV due to an excessive line ahead of me, I showed him the Title and paperwork and explained about the process I was proving. )

In August of 2016 i had let my Drivers License expire so I am no longer under Contract or Duty as a "Driver." I am Traveling in my Conveyance using the roads which are paid for by the gas tax.

I showed the CHP Officer the Violation of Rights Warning Notice which I obtained off of a Justice Department website and the Supreme Court Case law I typed into it and asked him to read it, he said no, I began to read it to him. (\*see attachment B-1)

"No State Government entity has the power to allow or deny passage on the highways, byways, nor waterways. Travel is not a privilege requiring licensing, vehicle registration, or forced insurances." (Chicago Coach Co. v City of Chicago, 337 ILL. 200,169 N.E.22).

The CHP Officer then stated it is not relevant. I replied that "Supreme Court Caselaw is not relevant?" He stated "No."

He asked for my I.D. which i handed him my expired drivers license. He went to his vehicle to run a check and a man walked up and handed me a pocket

Constitution and said "Here, give him this." I said thanks and gave him my phone number and asked him to call me as he walked into Riebe's.

The CHP Officer came back asking what the guy handed me so I opened my black binder and showed him the pocket Constitution, he shrugged and walked away again. I noticed a 2<sup>nd</sup> CHP Vehicle drive around the back of the building, and a 3<sup>rd</sup> CHP Vehicle was pulled in behind the first.

A tall white CHP officer walked towards me then turned around and began to mill about talking with the first Officer.

Next a Hispanic appearing 3<sup>rd</sup> CHP Officer begins speaking loudly to "Clear the area, Rounds are about to go live." When I realized what he was saying and he had his hand on his sidearm, I placed both arms fully and completely out the window and asked him why he was talking like that which angered him and he turned towards me with his hand on his weapon. The guy who had given me the Pocket Constitution had come out of the store and saw what was happening and the CHP Officer then began to tell him how I am a threat to the security of America and that I am a Domestic Terrorist in a felony stop based on an FBI warrant which turned out to be false upon investigation. The guy was able to calm the CHP Officer down and I told him, there's no call for that, I have little kids at home and we are all supposed to be Americans. He didn't apologize but did take his hand off his weapon. (Eyewitness name is Eric 530-210-7824)

I was asked by CHP Officer 1 to exit my vessel and come with him to his vehicle where he presented an offer to contract which listed me as the Surety in the form of a ticket which I declined my Consent by signing "At Arms Length" to signify I was placed under Duress and threatened with false arrest if I didn't sign as the all caps name in consent to this violation of my rights under color of law, code or statute. I was placed in handcuffs and put in the back of CHP Officer 1's vehicle.

A short time later the Officer came back and Stated that if I was willing to sign the ticket with my name, that he would release me. I declined but did ask him to loosen the handcuffs as my arms were restricted and my wrists were locked in

position behind me. He loosened them a bit and asked if that helped to which I replied, not really.

Officer 3 was intimidating the public at large and escalating the threat without cause.

Officers 1 and 2 explained, "he's like that, you just have to deal with it, he worked Oakland."

**I mention this for the Fact that Inner City Gangs and Association by Public Agencies such as the California State BAR to "Sovereign Citizens" is leading to an escalation by Law Enforcement Agencies and Paramilitarization of the CHP in violation of its Charter (Ultra Vires) California CHP has a Dun and Bradstreet number for each location(**

Under Title 42 U.S.C. 14141 Pattern and Practice can be established by :

- 1- This is my 2<sup>nd</sup> interaction with the CHP regarding CHP Officers covering for each other in the Field and in the Office \*Case # SCR 87775, while not performing proper investigations aided and abetted by the Nevada County Sheriff's Office.

Failure to properly investigate. This can be determined by the Fact that neither the CHP nor the Nevada County Sheriff Jailer brought me before a Magistrate nor

performed a thorough examination of my belongings. (1-The COL Form was not listed but my vehicle Title was. 2- I had a 100 dollar bill still in my wallet which I showed to Donna Nelson at the sheriffs department who wouldn't take an Identity Theft and False Arrest complaint from me nor would 2<sup>nd</sup> Lieutenant Smethers.) (The jail had confiscated 500 dollars from me in cash and issued me a "Card") (As of 6/5/2017 I have been unable to access this card account, nor was Bank of America who advised me to call the jail) (The 2016 Nevada County Grand Jury issued a negative report regarding NCSO Evidence Handling )

"Speeding, driving without a license, wrong plates or no plates, no registration, no tags, etc., have been held to be "non-arrestable offenses" (Cal V. Farley, 98 Cal. Rep. 89, 20 CA 3d 1032).

The one arresting must immediately take the arrested party before a magistrate when demanded, and hold the party for no other purpose (no photographs, no fingerprinting);

"Any undue delay is unlawful and wrongful, and renders the officer himself and all persons aiding and abetting therein wrongdoers from the beginning." Ulvestad v. Dolphin, 278 Pac. 684 (1929).

"The one arresting has "a duty to immediately seek a magistrate," and failure to do so "makes a case of false imprisonment." Heath v. Boyd, 175 S.W.2d. 217 (1943); Brock v. Stimson, 108 Mass. 520 (1871).

"The power to arrest does not confer upon the arresting officer the power to detain a prisoner for other purposes." Geldon v. Finnegan, 252 N.W. 372 (1934).

"To detain the person arrested in custody for any purpose other than that of taking him before a magistrate is illegal." Kominsky v. Durand, 12 Atl.2d. 654 (1940).

a constable cannot justify handcuffing a prisoner unless he has attempted to escape, or unless it be necessary in order to prevent his doing so." 51 L.R.A. 216;

"The handcuffing was utterly unlawful." Osborn v Veitch 1 Foster & Fin Eng Rep 317.

"Compulsory fingerprinting before conviction is an unlawful encroachment...[and] involves prohibited compulsory self-incrimination." People v. Helvern, 215 N.Y. Supp. 417 (1926).

"The taking of the plaintiff's picture before conviction was an illegal act." Hawkins v. Kuhne, 137 NY Supp 1090, 153 App Div 216 (1912).

2- Title 18 U.S.C. 241,242,245 can be determined by the presence of 3 CHP Officers and my false arrest, the lack of intervention by NSCO, the jailers not being diligent in their paperwork but altering Records in order to

sanitize their liability. CHP and jailers, not knowing law but giving legal advice.

- 3- Title 42 U.S.C. 1986 can be determined by Officer 1 & 2 statements that "He worked Oakland" If Officers were being trained properly, Officer 3's behavior issues would have been reported to the Watch Commander.

"We have previously held that under § 1983 the qualified immunity defense is inapplicable whenever an official "does an affirmative act, participates in another's affirmative acts, or omits to perform an act which he is legally required to do that causes the deprivation [of an individual's rights]." Johnson v. Duffy, 588 F.2d 740, 743 (9th Cir. 1978) (emphasis added). Under § 1983 when an official fails to take an action that he has a clearly established duty to take and that failure is a foreseeable contributing factor to the violation of a plaintiff's constitutional rights, the defense is similarly unavailable. Id. We see no reason that same rule should not apply in Bivens cases. See Butz v. Economou, 438 U.S. 478, 504, 98 S.Ct. 2894, 2909, 57 L.Ed.2d 895 (1978) (for purposes of immunity analysis no distinction should be drawn between suits brought against state officials under § 1983 and suits brought under the Constitution against federal officials); Lonneker Farms, Inc. v. Klobucker, 804 F.2d 1096, 1097 (9th Cir. 1986) (same)." ALEXANDER V. PERRILL United States Court of Appeals, Ninth Circuit. 916 F.2d 1392 (9th Cir. 1990)

Today is Friday 6/2/2017

My whole body aches, my arms, shoulders, elbows, wrists hurt, my back and neck ache and this incident has stressed me out. (The stress was noted on my intake sheet by the 2 jailers who accepted me from the CHP. I didn't feel the aches and pains until the day after the incident.)

When I was informed I was to be arrested, I asked the CHP Officer if I would get to see the magistrate and he said yes that he was taking me to the court house for that purpose. Instead I was taken to the County Jail. There were 2 different female officers who worked on my booking and release paperwork, I repeatedly asked if I would get to see the magistrate, 1 time I was told yes, the rest of the times I was told, "I only get to see the magistrate if im held for 48 hours or more then told to stop believing whats on TV". I have offered the CHP a chance to settle this matter for \$57,000.00 Dollars prior to any Notice of Intent to Litigate. Under

the California Penal Code if during Litigation I am offered a higher settlement award, the public officials can be prosecuted for failure to mitigate.

"The assertion of federal rights, when plainly and reasonably made, is not to be defeated under the name of local practice." - Davis v. Wechsler, 263 U.S. 22, 24.

"Where rights secured by the constitution are involved, there can be no rule making or legislation which would abrogate them." - Miranda v. Arizona, 384 U.S. 436, 491.

"The claim and exercise of a constitutional right cannot be converted into a crime." - Miller v. U.S., 230 F 2d 486, 489.

"For a crime to exist, there must be an injured party. There can be no sanction or penalty imposed upon one because of this exercise of Constitutional rights." - Sherar v. Cullen, 481 F. 945.

There is no question that there is NO injured party involved here, and a citation/ticket issued by a police officer, or jail/incarceration for any cause including no valid drivers license, registration or insurance, and save for criminal activities involving an injured party, is a penalty or sanction, and is indeed "converting a Right into a crime."

A policy or custom for which a municipality may be held liable can arise in four ways: (1) through an express policy, such as a written ordinance or regulation; (2) through the decisions of a person with final policymaking authority; (3) through an omission, such as a failure to properly train officers, that "manifest [s] deliberate indifference to the rights of citizens"; or (4) through a practice that is so "persistent and widespread" as to constitute a "custom or usage with the force of law."

Lytle v. Doyle, 326 F.3d 463, 471 (4th Cir. 2003)

To: G. STEFFENSON : In good faith I am offering the opportunity to settle this matter for \$57,000 Dollars. In addition to \$57,000 (or a reasonable settlement offer) and an official letter from the CHP Commissioner that I may travel freely with my private property plates and that I will not be attacked nor detained in the future. (Exceptions to this would be an Officer seeing me Breach the Peace.)

18 USC §242 provides that whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States ... shall be fined under this title or imprisoned not more than one year, or both.

18 USC §245 provided that Whoever, whether or not acting under color of law, intimidates or interferes with any of the People from participating in or enjoying any benefit, service, privilege, program, facility, or activity provided or administered by the United States; [or] applying for or enjoying employment, or any perquisite thereof, by any agency of the United States; shall be fined under this title, or imprisoned not more than one year, or both.

42 USC §1983 provides that every person who, under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any People/citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, suit in equity, or other proper proceeding for redress.

**Warning**, you may be in violation of Federal Law and persisting with your demand may lead to your arrest and/or civil damages! Also understand that the law provides that you can be held personally responsible and liable, as well as your entity or agency. **You are Hereby Noticed** to cease and desist with your demand and to seek Lawful Assistance of Counsel if you do not understand the law.
