KIDS & TEENS CAN SEW (Ages 8 & up)

Have a great time sewing a skirt, shorts or PJ's and a tote bag in this class. **Many students re-take this class often and work on new and more advanced projects. Students may spend the whole day in class, if both morning and afternoon sessions are purchased.** Supplies not included. A parent is asked to stay at the first part of the first class to help with shopping. **Adults are welcomed to join this class.** Students with sewing machines are encouraged to bring them.

10 hour course Tuition: \$90

ADULT SIT-N-SEW (all levels welcomed—even those who have never sewn!)

For the student who needs all of the basics (including use of a sewing machine), as well as the student who sews but needs motivation, shortcuts, new techniques, and help with fitting and understanding patterns. Students may sew for themselves, their home or their child. This course may be taken as often as you wish, selecting a new pattern to learn new skills each time. All sewing may be done in class on our machine or yours. Bring any sewing supplies you may already own to the first class. **Adults are also welcomed in the Kids & Teens class.**

15 hour course Tuition: \$100

SERGER WORKSHOP (Adults)

Bring your own serger, or borrow one of ours, as this class teaches you how to use it fully. Please indicate if a serger is needed when registering.

One – 5 hour class Tuition: \$60
