- The Buc Backer Foundation (BBF) provided the bouquets of flowers handed out at the recently held RBR Longevity Breakfast honoring RBR staff members for their many years of service. It was decided moving forward \$500 to \$1,000 will be set aside in the BBF yearly budget to cover expenses of this kind.
- Feedback to the Buc Stop On-Line Store was discussed with the main topic consisting of possibly needing more variety/unique items in the store; or, rotating the existing variety every 3 to 4 years. Carm suggested perhaps sending out a survey, through Survey Monkey, asking people what type of items they would like to see sold in the store.
- Our yearly Ad Journal fundraiser to begin soon. Carm indicated that Elizabeth Braun might be interested in helping this year.
- Processing of Teacher Grant applications should begin soon. Applications will be reviewed based on impact priority grants will have on the school.
- Judy Noglows advised the Hall of Fame event planning is going well. The VPA is set to play and Chef Rosco is set to provide food.
- Follow-up required regarding fundraising and VPA. Also, an announcement was made at the last Board of Education meeting that a Professional PA System has been donated to the VPA department from Mr. Dale Stover.

- Discussions were had regarding providing a mini job fair to the students in the Spring. Dr. Moore had shown support for this event in prior meetings and we will be seeking volunteers for this event in the near future.
- The Buc Backer Foundation Scholarship applications will be updated to reflect the 2016-2017 school year on the application form.
- Discussions had about a "Day At The Races" fundraiser at Monmouth Park for the upcoming school year. More to come on this event.

Vice President and/or Co-President(s)
Corresponding Secretary

- Our VPA Dance Liaison, Carolyn Campo, was present and asked how Mrs. Scacco, the dance teacher, can go about obtaining a license to run a 50/50 raffle during dance recitals. Patti and Mary advised of the process.
