Many of you know Shaun and Misti Burns and their kids Mackenzie and Peyton. Their family is the inspiration for the Ride for Autism and as such we are flying them back from Texas for the event. Originally the plan was to have all entities pitch in to reimburse Joy and Rob Lee for the flight tickets, however the Lees will not accept the money as they want it to go to veteran causes, but will accept personal donations. We are passing a hat around. Please donate to help.
