Dear Patron,

Today, the Curwensville Regional Development Corporation along with Curwensville Borough begins an ambitious effort to redevelop our downtown business district and continue building our region for future generations. The Curwensville *Blueprint for Prosperity Capital Campaign* will raise the matching funds needed to secure grants for updates to the streetscape with new sidewalks, trees, bike racks, seating, improvements to public parking, crosswalks, new pocket parks and increased internet broadband. The continued success of our town relies upon maintaining and enhancing these elements that contribute to the area's desirability and distinction.

The Curwensville *Blueprint for Prosperity Capital Campaign* is part of a larger economic development strategy to strengthen our broader region as a desirable place for families to live, companies to locate or expand their businesses and to enhance the quality of life amenities that will attract a labor force of skilled talent for area businesses. We need your help to create matching funds to develop this dynamic environment for residents, students, visitors and businesses. Our ultimate goal is to raise \$150,000 over the next 18 months that will fund \$3 million in projects.

Soon you may be receiving a call from one of our campaign volunteers. Please consider pledging. One time gifts can be made or there is a suggested giving plan that encourages a commitment over the next 18 months. The enclosed "Pledge Card" provides space for you to designate your total pledge, initial offering and payment interval that you request. Any size pledge is appreciated.

All donors will be acknowledged for their support. Donors of specific gifts will be honored by a permanent individual plaque on the structure or in the area. Please refer to the recognition giving levels included with this letter. Gifts can also be given to memorialize and honor our loved ones. Gifts can also be made anonymously. For more information about the campaign or to donate online, visit www.curwensville.com. CRDC is a 501 C 3 nonprofit registered with the PA Bureau of Corporate and Charitable Organizations. All donations are tax deductible to the fullest extent of the law. Checks may be made payable to the Curwensville Regional Development Corporation and mailed to PO Box 129, Curwensville, PA 16833. Your generosity is greatly appreciated.

With sincere thanks,
