## COMMENTS FROM THE PRESIDENT

Fellow anglers, the dog days of August are just about over time to get ready for better fishing. Fall is always a great time for fishing and getting out again after the summer heat.

We have a couple of big events coming up in September and early October. On September 23rd is our annual military fishing day a big event for our club and the men and women in the military. It's a great event for all. As usual we are still needing boaters and helpers. Darrell Graham is heading up our annual fish fry on October 7th at the Balboa pavilion starting at 5:00 pm and dinner starting at 6:00. It's a great time for all. We are going to have elections coming up soon and we will need a new President and Vice president and one Director. I will not be able to attend the September club meeting as I will be out of town helping a family member. Stay safe and healthy and have great times fishing. Thanks Craig

## 2021 Anglers Club Elections

Elections for club officers and directors are coming up in November. We need volunteers to serve as President (one year term), Vice President (one year term) and Director (2year term). The club doesn't run its self it only take a few hours a month of your time to help the club. If you are interested in helping the club by serving on the bord of directors contact Craig Schilling at 501-204-9226. or Don Langston at 501-984-2895

## AUGUST TOURNAMENT

The Wild Card tournament on August 31st had one thing in common with the June and July tournaments. The winners both Angler and Co-Angler didn't use a drop shot to win. The primary bait used by Mike Crews to win the Angler division was a Texas rigged green pumpkin Zoom Ol' Monster (top

row left). Mike fished deep brush piles on Lake Coronado. Larry Ivens won the Co-Angler division fishing Lake Coronado docks and the edge of weeds with a square bill crank bait (lower second from the right) and a shaky head jig (lower left). Don Langston was second in the Angler division fishing the edge of weed beds on Lake Cortez with a Texas rigged green pumpkin Senko (top right). Second place Co-Angler was Tim Brown fishing a wacky rigged worm (lower right) on shady side of Lake Coronado docks

## 2021 MILITARY FISHING DAY

This is the opportunity to show our service members just how much their sacrifice means to us by taking them fishing on Lake Balboa. Dave Keith has done a great job (again) getting everything organized but we still need volunteers and boaters so please contact Dave Keith by text to 501-226-9232 or email [dlkeithsr@att.net](mailto:dlkeithsr@att.net) if you can help in anyway.

We need you for Thursday September 23rd your help will be greatly appreciated.
