

Insurance for your Motorcycle, Boat, Jewelry and More

Superior Service, Outstanding Value

Along with your auto, home and business policies, MAPFRE Insurance offers coverage for specialty vehicles and other valuable items such as:

Watercraft/ Boat

Insure your Personal Watercraft or boat with us. Packaged coverage is available to include hull and liability. We also offer an enhanced coverage endorsement. Ask your agent for details.

Motorcycle

We offer coverage for your motorcycle as well as a Motorcycle Accessory Coverage endorsement which increases coverage for your motorcycle or motorcycle trailer.

Flood Insurance

Your standard homeowner's policy does not provide flood insurance coverage. Purchasing flood insurance is important, especially if you live in a flood zone. Ask your agent today about purchasing a flood insurance policy.

Jewelry/Fine Art/Furs

Your personal possessions are extremely valuable; therefore, protecting them is important. We offer additional coverage on your homeowners policy for these items. Ask your agent how to begin the appraisal process.

Group Insurance

Ask your agent if you are eligible for a group insurance rate.

Superior Claims Handling

Each one of our claim professionals takes part in an extensive training program to ensure the highest quality claim service for our customers. There are four steps to our claim process; reporting a claim, appraising damage, payment and repair.

We also offer an exclusive repair service to customers who qualify. This program was designed to expedite the claim process while offering elite service from our top repair shops, making the customer experience as simple as possible.

The ePICSM program is also available to those who are eligible. Taking your own photos of minor damage and emailing them to us is another option for making the claim process quick and easy for you. Once photos are emailed, a licensed appraiser will complete and return an appraisal to you.

Ask your agent about these unique claim handling opportunities!
