

Welcome to Year Two! We have so many exciting things planned for the year starting with Battles, Balls and Banquets! We will be exploring castles, kingdoms and people in the past.

School ready

Every child is expected to bring their book bag, reading folder with their books and reading record in to school every day as well as their PE kit when required, this is a Tuesday.

As the weather is so unpredictable and our 'summer' has been disappointing we still may need sun cream and a sun hat as well as a coat and scarf. Please make sure they are wearing the correct outer wear for the weather as nobody likes getting caught in the rain without a coat. If your child would prefer they can keep their hat, coat and sun cream in a bag on their pegs.

Homework and Reading at home

Homework will be given out weekly on a Friday and to be collected on the following Wednesday. Please still encourage children to take ownership and responsibility for their homework. This will enable your child to gain confidence in their work and will become evident in their work within the first few weeks. Let's start Year 2 off with a bang! We know that reading at home can sometimes be a struggle however please continue to encourage your child to read even if it is a magazine or an extract off the cereal box. Guided reading will start in the next few weeks which will expose the children to a range of texts and they will be reading to an adult twice a week with their books being changed once a week.

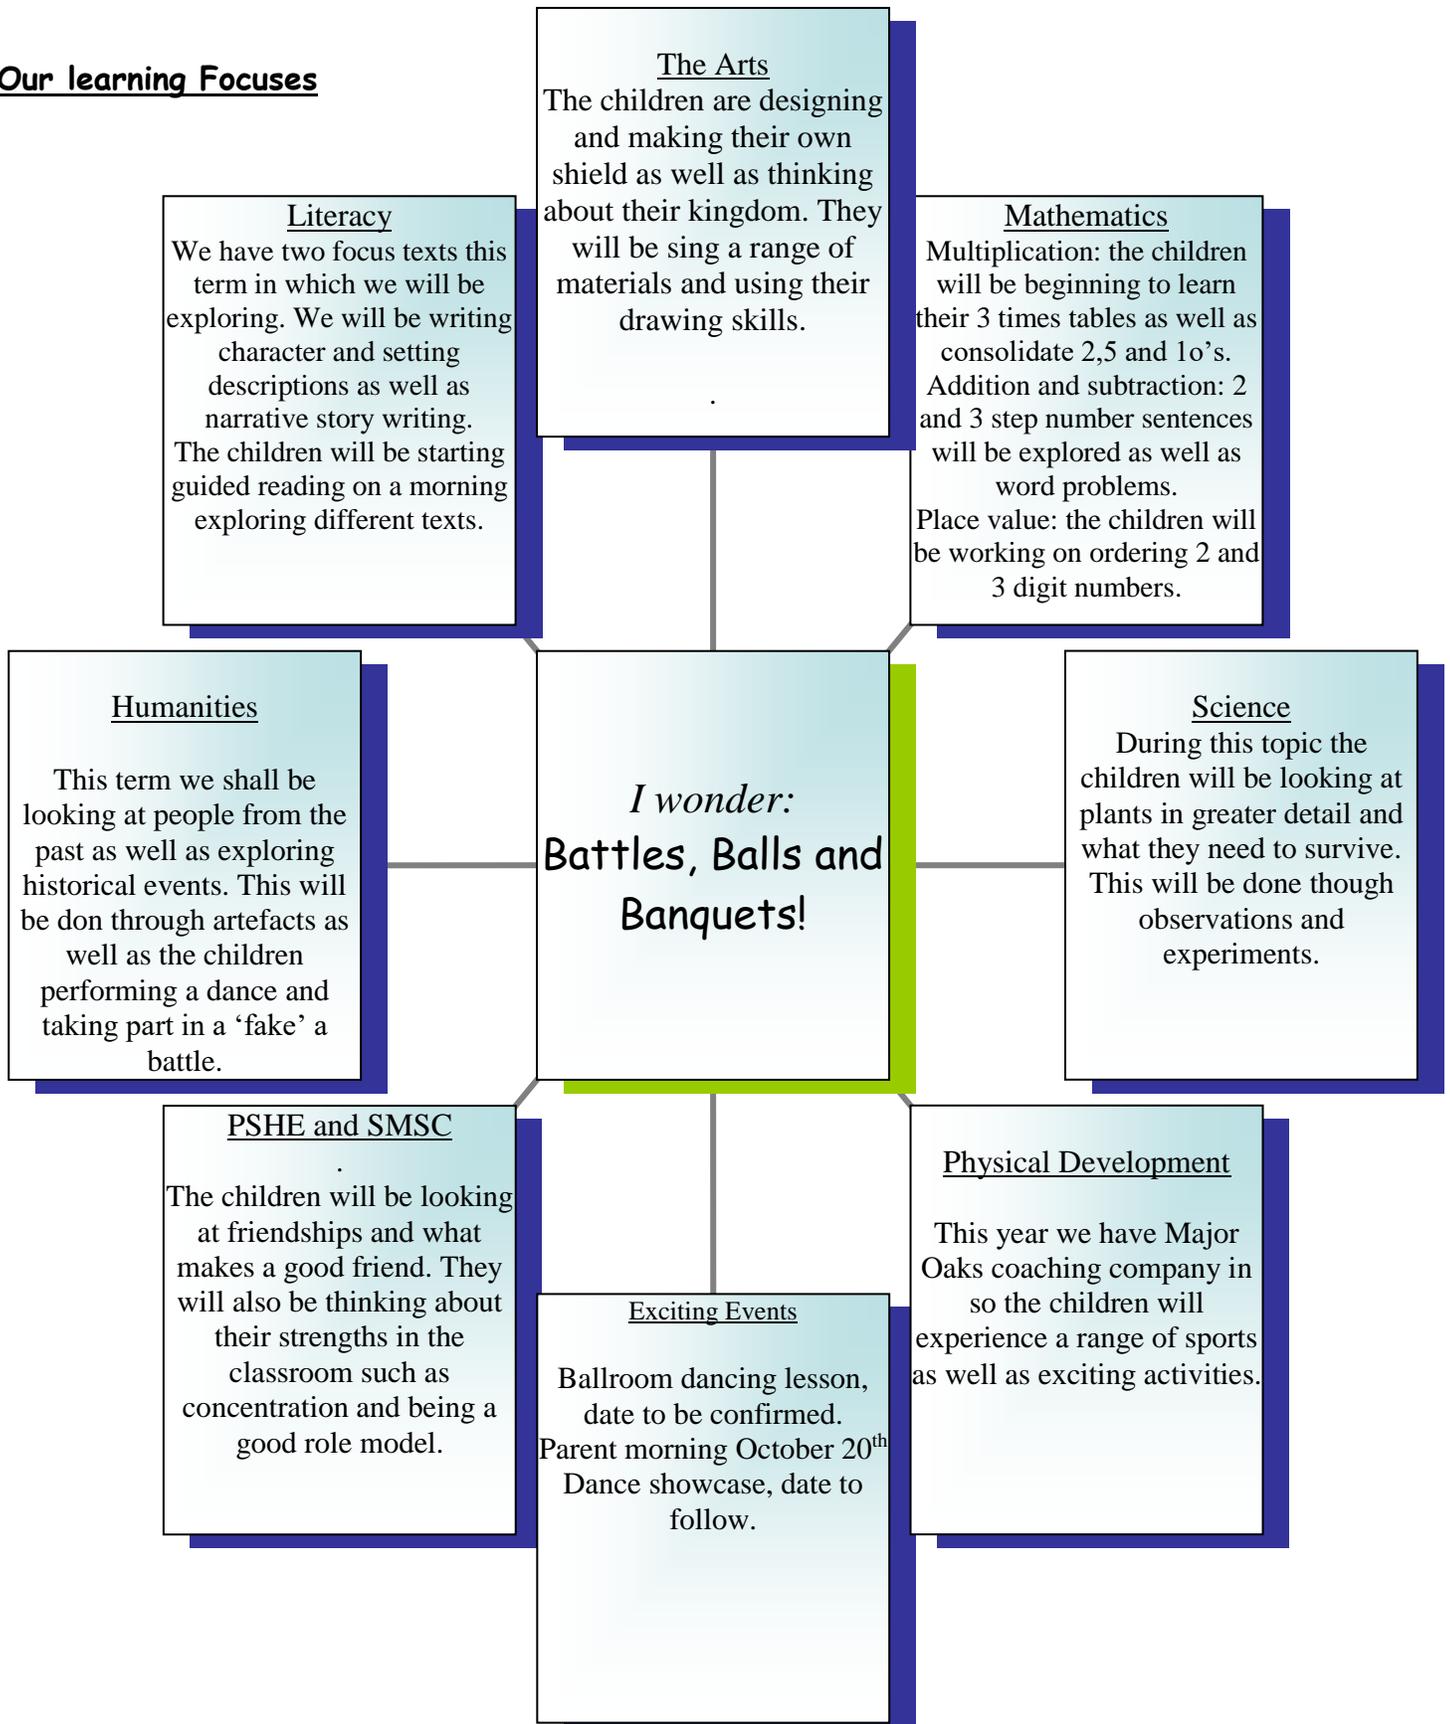

Celebrations and rewards

The Year Two children will continue to attend the golden award assembly on a Monday afternoon to celebrate their exceptional effort in our chosen skill or for their model learning attitude. Bronze stickers are continuing to be a success as the children work towards silver and gold stickers for working at their personal best or putting in 100% effort. Let's all try and aim for our Bronze and Silver pin badges!

Start and end of school day

All children are expected to arrive between 8:50am and 9:00am ready to enter the classroom after the whistle at 9:00am. This will ensure all children are settled and ready to learn as soon as possible to maximise learning time. The classroom doors will remain open for a few minutes after the whistle at 9:00am for the first few weeks as we are aware siblings on other playgrounds need to be dropped off and this can be difficult in the first few weeks.
