To the Sherburn and Welcome City Councils,

The department logged 112 calls for the month of February bringing our total for the year to 232. This is already up considerably over last year or 2011. If this pace were to keep up, we will see another record high for calls by the end of 2013.

The average response time for calls this month was approximately three minute and forty seconds. This is up from January, but is still a good average.

March has started out with more snow than what we have seen during the rest of the winter. We have responded to a number of motorist assist calls due to difficult driving conditions. I think we are all ready for Spring to arrive and have some warmer weather.

We will begin the Spring clean-up of properties toward the end of March with the intent that the issues will all be dealt with no later than the first of May. This will give property owners who have issues a month to take care of the situation. Fewer properties need to be dealt with each year and I hope this trend continues.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes".

Brad L. Hughes
