Complying with U.S. Export Controls BIS/ITAR Tuesday, June 6, 2017 8:30 – 4:30 pm Upstate SC Alliance Greenville, SC

This one-day workshop will be led by experienced export policy specialists that will provide professional counseling and an in-depth examination of the Export Administration Regulations (EAR). The program will cover the information exporters need to know to comply with U.S. export control requirements on commercial goods. Emphasis on what items and activities are subject to the EAR; steps to take to determine the export licensing requirements for your item; how to determine your export control classification number (ECCN); when you can export or re-export without applying for a license; export clearance procedures and record keeping requirements; and real life examples in applying this information. This program is well suited for those who need a comprehensive understanding of their obligations under the EAR.
