Every Class will be participating in the “Silent Auction” for the 41st Annual Edison School Carnival. Your Teacher has chosen a “Theme” (see your child’s classroom below) and now we can begin gathering items to be auctioned in a basket or special container during Carnival Night.

The grade that brings in the most money for the baskets will win a pizza party!!!

Every little bit helps....This event of the Carnival brings in approximately \$3500-\$5000 each year. Ask your teacher who is in charge of your classroom basket – see if they need help!

We will have a gift card wall again. Most gift cards that are donated will be put on this wall and not in the baskets. All money from these gift cards will be applied to the classroom they came from.

Please include ALL gift card activation receipts with gift card. Amounts will be verified!

If you have any questions about your classroom basket, please contact the teacher or parent in charge of your class.
