California Causality Insurance Offer

I normally don't send this kind of stuff out, but this insurance company is amazing. They offer great rates and things that are exclusive to teachers

- Things like if your car is hit or damaged in a school parking lot, they pay your deductible.
- They also ensure your classroom if it gets broken into as well as your school or district-funded electronics if they get stolen or damaged from your car. It wouldn't hurt to check it out.
